## Peer Tutoring Program Application

Thank you for your consideration of the Peer Tutoring Program at CSEC. This program gives our students the opportunity to help other students and gain valuable experience as a student leader. Here are some of the highlights:

- ❖ More students receiving individual assistance
- ❖ Peer Tutors get experience
  - Looks great on college/job applications
  - Leadership experience
- ❖ Extension of Academic Study Lab and Enrichment
- ❖ Students will receive a certificate of hours completed

Anyone that has a 3.0 GPA and tested College Ready in either math or English may fill out an application. A teacher recommendation is required as part of the application. Peer tutors must be approved and go through a short training/orientation.
