Dear parents or guardians:

As Hartford Public Schools prepares for winter months, we want to remind you of our school system's inclement weather procedures.

Parents of bus riders should be aware that extremely cold morning temperatures can cause delays on morning routes. A severe storm watch may also cause delays. Our transportation department works to pick up students as quickly as possible during these conditions. When extreme weather conditions exist, you can help by ensuring your children are dressed as warmly as possible and remaining with your children until they are picked up.

During severe weather watches or warnings, our school system works with local authorities to monitor conditions and proceeds with arrival and dismissal based upon known conditions. Adjustments are made as needed.

In the event that schools are delayed, closed or students are released early, there are a variety of ways we notify parents, including:

- Automated phone call
- Media outlets (television, radio and media websites)
- District website www.hartfordschools.org
- Twitter (@hartfordschools.org)

It is important that your child's school has your current emergency contact information, including home and work phone numbers for our calling system. Please take the time to update that information with your child's school if needed. For additional information, please review the Frequently Asked Questions (FAQ) included in this letter.

Thank you for helping us as we work to keep all of our students safe.

Sincerely,

José Colón - Rivas
