

# Student of the Month Trait COMPASSIONATE

## School Consolidation Committee Update

As you all aware, the School Consolidation process is well on its way meeting every Monday from 5:30pm-7:30pm. The charge to the Committee, from the Board, is to identify and recommend 3-5 schools to be considered for closure and make boundary reconfiguration recommendations accordingly. The intent is to implement these changes for the 2018-2019 school year. Currently, the Committee has already created a list of final rating criteria and to date, all schools are still up for consideration for closure. The Committee's goal is to have their draft report to the Board by December 18<sup>th</sup> with the names of the 3-5 schools to be considered for closure. As always, all of the School Consolidation Meetings are open to the public and I encourage you all to stay informed of the process. You can access the notes online at the district website at [www.ogsd.net](http://www.ogsd.net) (Click the tab "Board" and "School Consolidation") or feel free to attend the public meetings held every Monday night from 5:30pm-7:30pm at the Oak Grove District Board Rooms.
