April 12, 2018

To the parents/guardians of all students,

We are pleased to inform you that Lands' End will now be our sole provider for school uniforms. A link to our exclusive Lands' End shopping site can be found on our website, or you may go directly to [www.landsend.com](http://www.landsend.com), choose "school", and then enter our school code, 900186552.

As part of this transition, we have made some changes to the uniform requirements. The new uniform requirements are detailed on the attached sheet.

We understand that many of you have purchased items from Flynn O'Hara which are no longer listed on the school uniform requirements. In order to ease the transition, all *current* students will be permitted to continue to wear any previously purchased items. For example, the navy blue logo sweater is no longer part of the school uniform, however, any current student (class of '19, '20 or '21) who owns the navy blue logo sweater may continue to wear it. Students will still need to adhere to all rules for relaxed/formal attire.

Any replacement uniform items must be purchased from Lands' End moving forward. In addition, all incoming freshmen (class of '22) will be required to adhere exclusively to the new uniform requirements.

Please note that we will no longer require juniors/seniors to wear different pants/skirts than underclassmen, primarily to ease the burden for parents of rising sophomores. We are currently working with students to determine additional optional uniform items that may be permitted for seniors.

If you have any questions regarding the transition, please contact the main office of the school.

Best regards,

Peggy McEvoy  
Assistant Principal for Student Affairs
