Summer Reading Contest

Reading throughout the summer is essential. Students should have brought home their Summer Reading Charts. When school starts back up in August, we will have a Summer Reading Party for all the students who turn in their reading sheets with at least 45 days of reading. If you need an extra reading sheet or are a new student to Summit Academy, you can access them through the Summit website. This contest is open to all incoming students for the 2017-18 school year.
