

# SAINT PASCHAL BAYLON CATHOLIC SCHOOL

*SPBS is special because we learn about God.*

*Saint Paschal Baylon School is a special school. One reason why I like SPBS is because we go to Mass every Friday. We also have a Spring Sing and a Christmas concert. Another reason why SPBS is great is the teachers are very nice and they teach you a lot of things. Lastly, I like SPBS because it has a lot of great subjects like Art, Computers, Music, and P.E. That's why I like Saint Paschal Baylon School.*

*St. Paschal Baylon School is very special to me. St. Paschal is so special because I have fun teachers and great friends. Some things I really like about our school are P.E., new play areas, and great books in the library. We also learn so much, and every year it gets even better. I think it is so fun here, and if you don't go to SPBS you should. Go Bears!*

*Saint Paschal Baylon School (SPBS) is a unique and wonderful school. It has skilled, supportive teachers who give students an excellent education. They listen to all students who have questions and need help. They also encourage and challenge the students in every subject. SPBS is a Catholic-based school. We achieve this by attending mass weekly, having good behavior, and acting as Disciples of Christ. There are many fun and memorable events here at SPBS. Every year we have a Fall Festival. There are many games and rides that all ages enjoy. We also have the Olympiad which is similar to the Olympics. Another unique event is the jog-a-thon where we have great fun exercising and raising money for our school. As you can see, it's a wonderful school, filled with great students and teachers and lots of fun events. I am proud to be at St. paschal School and you will be too!*

*Saint Paschal Baylon is a special school because, here, I am learning to be a successful whole person. First of all, the challenging curriculum teaches me something new every day. Also, our Resource Center helps students get a better understanding of what they are learning. Thirdly, we have an amazing music program with a student choir sings every week at Mass! Our two All-School musical performances are a highlight for me every year, and we have so much fun preparing for them. Finally, the community of teachers, students, and parents, are friendly, welcoming, and kind. I believe that I have already met some life-long friends during my time here. If you are considering sending your child to SPBS, do not hesitate; I am sure he or she will love it as much as I do!*

*Saint Paschal Baylon School is a special school because we feel like a big family. We have sports teams that work together. On Friday mornings we have Mass as a school community and many parents and family members join us. As a new student in sixth grade, everyone made me feel welcome and helped me learn routines and the ways of the school. I have enjoyed my experience so far this year and I am looking forward to my next two years at Saint Paschal Baylon School.*

*Saint Paschal Baylon School is special because of the sense of community and acceptance you feel when you join. In the other schools I have attended, I have made friends, but none of them were nearly as kind and supportive as the ones I made at SPBS. The Non-Discrimination Policy is strictly enforced to make every student feel safe and comfortable. The Parish community is constantly involved in not only the school and students but in the world around us. With food drives and donations, our school helps to provide for the less fortunate. Our church stresses the importance of generosity and charity, a concept that my fellow classmates strive to express as often as possible. This unselfish, altruistic behavior reminds me of a quote that I believe in many ways embodies my parish... "Anyone who has two shirts should share with the one who has none, and anyone who has food should do the same." Luke 3:11.*

*Saint Paschal Baylon School is a special school because it has a sense of family. I feel as if I know almost everyone from kindergarten to 8th grade. The Little Buddy system allows me to have a personal connection with a few of the younger students at St. Paschal. This connection makes it easy to talk to other students when in the halls or out on the playground. When I was younger, my big buddy was a role model and I always looked up to him. Having a family-type of relationship with other students allows me to feel comfortable whenever I am on campus.*
