

Public Safety

The Law Enforcement and Public Safety courses are offered for students who are interested in becoming law enforcement officers, attorneys, criminal investigators, and first responders. Projects and activities for this course include field trips, Skills USA, community service opportunities, internships, post-secondary opportunities, Police and Fire Explorers, CERT training, K-9 training, and physical conditioning.

Students are required to wear the Public Safety uniform on professional dress days and to participate in required physical conditioning activities on a regular basis.
