Scrip Program

What is Scrip?

Scrip is a term that means "substitute money." When you purchase Scrip, you are purchasing negotiable gift certificates and prepaid cards that are used just like cash. You can use Scrip to purchase everyday expenses like food, clothing, and other essentials. With every purchase, you earn credit towards your tuition. Credit is posted after the monthly check is received from Guardian Angels.

How Does Scrip Help My Tuition?

Guardian Angels Scrip purchases the Scrip at a discount, and re-sells the certificates to families like yours for full face value. The discount (from two to seventeen percent) is then credited to your school tuition account, thus reducing your overall tuition.

What Retailers are Available?

Great Lakes Scrip (the company from whom we obtain the majority of our scrip) is always in the process of negotiating with retailers so the list is dynamic. Some retailers offer reload options for cards previously purchased from our scrip program. Other retailers offer Scrip-Now! This is where you can purchase scrip using Presto Pay and immediately receive a certificate online that you can print and use at the vendor. A complete vendor list is available at www.shopwithscrip.com.

How Do I Sign Up?

Create an account at www.shopwithscrip.com. You will need to enter in the code during sign up to link to our program. Please email Bethany Cabrera at Bethane09@gmail.com. Once you are in the system, you can place orders online and sign up for Presto Pay. Orders must be in the system by 8:30 a.m. on Scrip days; typically a Monday that the school is in session.

PrestoPay

This is a convenient way for you to pay for your order online, at the time of placing an order. With PrestoPay your payment will be electronically deducted from your checking account. Once you have successfully enrolled and verified your bank account information, you will have the option to pay with PrestoPay. When choosing PrestoPay, Great Lakes Scrip Center will debit your bank account for the amount of your order, plus a small \$0.15 convenience fee on the day of the order. (The small fee is a bank charge and not part of administration fees/costs.) At this time, the scrip program only accepts checks on a limited basis and with prior authorization, so we can encourage everyone to utilize PrestoPay.
