Our class participates in the Scholastic Reading Club. Throughout the year, you will receive fliers in class with the opportunity to order many wonderful books and book-related products at bargain prices from Scholastic. All book orders also support our classroom library. You can order the books and pay by check or money order through Mrs. Moffat, or you may go online at any time throughout the year to order books directly using a credit card.

If you choose to order directly, our class code is: L8BZH
