

PARK SCHOOL BIRTHDAY PARTY PRACTICE

To maintain equity in celebrations amongst all our students, the Park School Leadership Team has maintained the following practice.

Classroom student celebrations will **not** be allowed. Rather, teachers will make every child feel special on his/her special day. The class will sing to the child and make him/her a special helper for the day. A prize and birthday hat will also be given to each child.

We appreciate your understanding in ensuring all our students feel special and recognized on their day.
