## School Accountability Report Card

### Reported Using Data from the 2014-15 School Year

#### Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (Most Recent Year)

#### School Description

Raymond Temple Elementary School is located in Buena Park, California and is part of the Centralia School District. It serves approximately 500 students in preschool through grade six. The school houses a SELPA program for Deaf/Hard of Hearing students in six neighboring districts from preschool through sixth grade. It also houses three of the four Transitional Kindergarten classes in the district. All Raymond Temple students are provided a comprehensive curriculum in language arts, mathematics, history/social science, science, visual and performing arts, physical education and health. All classrooms are equipped with Smart Board technology, including Document Cameras and Projectors. Students in grades 3-6 have access to one mobile Chromebook cart per grade level with 36 Chromebooks per cart. The Computer Lab and Media Center provide additional enrichment opportunities for our students with access to Ticket to Read, Study Island, English in a Flash, and Accelerated Reader. Raymond Temple School is committed to meeting the needs of all students through explicit direct instruction and differentiated instruction.

#### Mission Statement

Raymond Temple staff, in partnership with parents, community agencies and local businesses, encourages students to be productive, worthy citizens. Students will be confident in the knowledge that they have mastered skills in a comprehensive, balanced and integrated curriculum. These skills include academic abilities and social skills, coupled with a high regard for self and others.

#### Recent School Accomplishments

Raymond Temple sets high standards for students. The TK program curriculum was written by one of our teachers and has had success over the last 4 years. Students coming from the TK program have been prepared and successful in Kindergarten. The past 4 years the school was selected by the California Business for Education Excellence as an Honor Roll School. The Orange County Register nominated Raymond Temple as a Bronze Medal School in 2011.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)**

**Year and month in which data were collected:** December 2015

Sufficient state-adopted and standards-aligned textbooks and instructional materials are available for each pupil, including English learners. These are consistent with content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas.

Resolution Date: 08/11/15

In 2011, the Governor and State Legislature extended the suspension of State Board of Education (SBE) adoptions of instructional materials until the 2015–16 school year (Education Code Section 60200.7). At this time the State has adopted frameworks for English Language Arts/ English Language Development, and math which will assist in our implementation of California's Common Core State Standards. We are currently piloting State Board of Education adopted (January, 2014) instructional materials for math to reflect the rigor of the California's Common Core State Standards, teachers are developing curricula units, and various resources are provided as additional instructional materials. The State Board of Education adopted ELA/ELD instructional materials in November, 2015 and will direct our pilot.

### School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great efforts to ensure that all schools are clean, safe and functional. The Schools Facility Good Repair Checklist provides information about the condition of the school's grounds, buildings and restrooms. All inspected items were in good condition.

#### Age of School Buildings

Raymond Temple School was built in 1957 and is located on 10 acres. There are 26 classrooms, as well as a multipurpose room, a computer lab, a media center, 2 portable classrooms and an office complex.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A total of 185 work orders were processed and completed during the duration of the school year. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### Cleaning Process and Schedule

In the evenings and during the day, a team of two custodians ensures that classrooms, restrooms and campus grounds are kept clean and safe. As responsible members of the community we take pride in our school environment by maintaining a clean, safe, and well-groomed campus.

#### Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and asphalt.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (Most Recent Year)

The Centralia School District welcomes and values parental involvement in District and school programs. During the 2014-15 school year, CESD continued its second year using the Local Control Accountability Plan (LCAP) process. This new funding process requires school districts to engage parents, teachers, employee groups, and the wider community to be a part of the development of the LCAP. Informational meetings were held with various stakeholders including Board members, parents, PTAs, and advisory groups (DELAC, GATE, PTA). An LCAP committee was formed that included representatives from each stakeholder group. The culmination of the LCAP committee was the adoption of the 2015-16 LCAP on June 24, 2014 by the Board of Trustees. The LCAP represents an opportunity to further strengthen the commitments between our District and our community on behalf all of students.

DHH Literacy Workshops are offered throughout the year for parents of our deaf students so they can learn to help their students learn literacy at home, as well as Deaf Students Speak Out Awards Program and DHH Family Movie Night. The Transitional Kindergarten program and Kindergarten programs hold a Kindergarten Welcome before school starts so they can meet their teachers and learn about the program, and also have Holiday and end of the year performances. The school's annual Holiday singalong was offered to parents in December, and the Annual Talent Show was once again a success! Students who participated in the talent show performed at the annual Raymond Temple Carnival. In additions, all students and parents are involved in Red Ribbon Week, Cyber Safety, and Teacher Appreciation Week.

In the spring of 2015 Raymond Temple combined efforts with Los Coyotes and San Marino schools to provide a parent informational meeting on cyber safety and cyber bullying.

Raymond Temple's School Site Council is an advisory group of parents and staff that meets regularly to receive information, discuss school programs and provide input toward school-based decision making. Raymond Temple School parents and staff also participate on District planning committees. The ELAC committee is comprised of parents of English Learners. They discuss issues related to the English Learner program and opportunities for parents to learn English as well as how to help their children in school. Two parents attend the District DELAC meetings and report back to our ELAC.

The PTA at Raymond Temple is extremely active and benefits the school and students by encouraging and organizing parent involvement, promoting student achievement and self-esteem, and enriching the educational program by providing special programs, activities, services, materials and equipment. Parent involvement opportunities include:

Back to School Night  
Open House  
Field Trip Chaperons  
Class Volunteers  
PTA-Sponsored Activities  
Fall & Spring Conferences  
Family Nights  
Talent Show  
Book Fairs  
Student Study Team Meetings  
IEP Meetings

For additional information about organized opportunities for parent involvement at Raymond Temple School, please contact Kristen Davison, PTA President, or Sara Pelly, Principal, at (714) 228-3290.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (Most Recent Year)**

Safety of students and staff is a primary concern of Raymond Temple Elementary. The School Site Action Plan was developed by the Site Safety Committee and the School Site Council with input from the School Safety team. The safety plan is reviewed and revised annually by all groups. New goals and tasks are added as necessary. The 2014-15 goals of our Safe School Action Plan include the following:

Component 1- People and Programs

Goal #1: Raymond Temple School’s climate shall reflect respect, tolerance and pride for diversity of culture, ethnicity, and philosophy. It is a place where students demonstrate strong academic progress, follow school rules and develop responsibility for their learning and respect for themselves and their school.

Goal #2: Raymond Temple School’s climate shall provide an emotionally secure learning environment for all students.

Goal #3: Raymond Temple staff will participate in on-going training to effectively address the needs of our site in case of emergency/crisis.

Goal #4: Schools provide an educational environment where students, parents, staff and community members show respect to people of all cultural, racial and religious backgrounds.

Component 2 - Physical Environment

Goal #1: Raymond Temple School provides a secure campus with careful monitoring and supervision of all areas to ensure student safety and adherence to rules.

Goal #2: Raymond Temple School provides for the safety of students and staff through a well-planned and implemented crisis response plan.

Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation. The school and District participate in the annual California Shake Out earthquake drill each October. Fire evacuation drills are held monthly. The school maintains a Safety Committee and it meets minimally four times a year to review safety issues, plan staff development and makes recommendations for improvement.

The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year.

Raymond Temple School believes that to ensure a positive learning experience requires a safe and orderly environment. Staff received training on a School wide Positive Behavior program that was first fully implemented during the 2013/14 school year. Teachers teach, monitor, enforce and exhibit these attributes throughout the year. The school follows all District Board Policies including those pertaining to Safety, Suspension, Expulsion, Mandatory Expulsion and Sexual Harassment. Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation.

Date of Last Review/Update: January, 2015

Date Last Reviewed with Staff: January 2015

The Centralia School District Board of Trustees reviews the Safe School Plans annually by March 1.
