

Happy Friday St. Mary's,

What an amazing Catholic School's Week we have had here at St. Mary's! Yesterday, we had our talent show and had 17 participants! It was so wonderful to see the great talent we have here at our school – I expressed to them great thanks for their participation and courage in getting up in front of the school! Today, we celebrated All Catholic School's Mass at St. Mark's – what a true blessing that we can all come together and share our faith – the church was completely full! The last thing today will be the ringing of the bells at 3:00 PM. Sunday will wrap up our Catholic School's Week with student led parish Mass at 10:45 followed by the State of the School Address and Open House. Thank you student council for planning a fun-filled week of activities!

Thank you to our families for your commitment to Catholic Education for your child!

**Important Information from last week's newsletter:**

**Student Pick Up – Before and After School**

Just a reminder, the road way in front of the school is a drive through- please do not stop and wait for your children – you must park in a parking spot or in the parking lot west of the parish hall. This is for student safety!

**Plus Portals System**

We need to increase the number of St. Mary's families in our School Directory. Please **OPT IN within the system to be listed in our school directory**. The school directory will be available through our Plus Portals system. Please let Roni or I know if you are having difficulty.

**Tuition for Next Year**

Tuition has been set for next year- the informations is posted on our website under the admissions tab. Re-enrollment for current students for next year will open the week of February 5<sup>th</sup> and will run until March 23<sup>rd</sup>. We are going to offer a referral incentive program for our current families – if you refer a new family to our school, they mention your name and they enroll their child/children for the 2018-2019 school year, you will receive \$125 off enrollment fees for the 2018-2019 school year (this reduction in fees is per family not per child). This referral incentive program goes into effect February 1, 2018 and runs through the first day of school, August 20, 2018. You, our current families, are the best form of marketing we have – spread the word about our wonderful school! Please let me know if you have any questions.

If you have a child entering kindergarten next year, please make sure you get them on our kindergarten list for 2018-2019 school year. Email Mrs. Davis or come to the office.

Have a wonderful weekend.

Blessings,  
*Tammy Emerich*  
Principal
