

LOS ANGELES UNIFIED SCHOOL DISTRICT 2014-2015 SCREENING DATES

SCHOOL _____
PREVIEW SCREENING (Gold Book Rule 315)

315-1

Preview screening may be held for the purpose of identifying and evaluating athletes prior to the beginning of the official season of a sport.

315-2

Screening is limited to a total of ten days of coach-athlete contact time per school, per sport.

315-3

The ten days of screening time can be done at any time during the school year. These time periods will be determined by each school, and will be documented prior to the season of sport. Coaches will be held accountable for filing the signed form with the school athletic director prior to the first screening date. Any exceptions to the documented time period must be cleared through the school athletic director. The school will be required to produce the signed form. If there is a discrepancy in the documented screening time, or if the form has not been filed, in-season practice will be suspended for each day of unauthorized screening.

315-4

Only those students who are currently enrolled at a given school, those middle school students who will normally matriculate (residentially) to the high school, and those students whose names are entered into the school's computer due to Magnet School, Open Enrollment or Charter School application, may participate in that schools' screening sessions. This applies to fall and Winter Sports only. Exception: students enrolled in a six-year school.

315-5

Screening must be conducted under conditions similar to those in physical education classes. Contact drills of any kind are not allowed. All coaches conducting preview screening must have an **Emergency Card** for each participant. These cards must be with the coach at all times. Students must have a **current physical examination** on file at the school prior to participation in preview screening activities.

315-6

Athletic footwear and other normal game equipment may be used.
