The MN Resource Libraries are a statewide resource providing information and resources to help families and educators meet the educational needs of Minnesota children and youth who are blind/visually impaired, deaf/hard-of-hearing and deafblind.

## MN RESOURCE LIBRARIES

Resources for MN educators, students and families of children who are blind/visually impaired, deaf/hard-of-hearing and deafblind.

## Resources for Parents Deaf/Hard-of-Hearing

Resources available to parents include books, DVDs, and kits related to deafness.

We offer library items on the following topics:

- Deaf culture
- ASL feature films
- Special education law
- Individualized Education Program (IEP)
- Language and literacy

Resources available to supplement American Sign Language (ASL) instruction in the following formats:

- Sign Language books and DVDs
- Instructional curriculum for ASL
- Shared Reading kits
- Storytime DVD series
- ASL games

The MN Resource Libraries offers a large selection of materials in a variety of formats. The libraries contain assessments, curricula, disability specific resources, books, DVDs, assistive devices, and adapted games for patrons who are interested in deafness and/or blindness.

## Resources for Parents Blind/Visually Impaired

Resources available to parents include books, DVDs, and kits on topics related to blindness.

We offer library items on the following topics:

- Blind and related autobiographies and biographies
- Braille/ Braille Literacy/ Braille music
- Career education/Employment
- Deaf-Blindness
- Independent living skills
- Orientation and mobility
- Recreation and leisure
- Self-determination
- Sensory efficiency
- Social interaction skills
