

ABOUT US

The LeRoy Sports Boosters was formed in 1995. Since then our organization has earned over \$90,000, which it has utilized to benefit all of our sport programs. This money was raised by countless hours of volunteer work by many community members.

The Sports Boosters primary function is to assist with various requests made by the athletic programs at LeRoy Central School.

- Attending meetings, making decisions. It could be as little as making phone calls or as much as becoming a Board Member.
