STUDENT TEMPORARY WAIVER OF ATTENDANCE – PLANNED ABSENCES

The Gorham School Department believes strongly that regular school attendance is essential to academic success. Because the process of education depends upon exposure to subject matter, continuity of instruction and class participation, absence from class is detrimental to student learning. The interaction of students with the teacher and with other students contributes to mastery of content, critical thinking, and development of effective communication and social skills.

The Gorham School Department also realizes the importance of family and the reality of our busy lives. As such, we do allow for planned absences to be considered “excused” as long as the parents or guardian work with the school to pre-approve said absence.

This form allows school administration to pre-approve a planned absence or other temporary waiver of attendance requests. If this form is completed and approved by the Superintendent, the absences will be considered “excused”. If this form is not completed, or is not approved by the Superintendent, absences will be considered “unexcused”.

If you have any questions, please feel free to contact your school’s principal. They can explain the importance of attendance and assist you in completing this form.
