

Franklin Middle School Boys Athletics

Welcome to the Athletic Program. You are representing yourself, our team, and Franklin Middle School. You are expected to be a good role model for other students. Franklin athletes are known for positive attitudes (on and off the field) and good sportsmanship.

Expectations

You are required to attend all practices unless a parent has notified the coaches with a phone call, note, or doctor's excuse. There will be consequences for missing practice or not following expectations. Football season begins in the fall; however, if you do not work out in the spring offseason (8th grade only), you will NOT be in the Athletic Program the following year. Everyone needs to have a physical and all paper work completed and turned in prior to participating in any sport.

Practice

We begin practice at 7:30 am every day. You will need to be dressed in athletic attire (provided by FISD) and ready to begin at that time. We will meet at the football field, so you will need to have the bus or your morning ride drop you off at the field house. During basketball season, you will report to the middle school gym. If you do not play basketball, you should still report to the field house, for off season during morning workout. We will dismiss ten minutes before the bell rings in order for you to change and be ready for 2nd period. There will not be after school practices, except during track season.

Games

We will play all home games at the football field and middle school gym. You will be told when to arrive for games by your coaches. You will sit in the stands as a team until it is time for you to warm up and play. We will go together on the bus to all away games. You will be fed on the way to the game. If you leave with your parents after the game, you will need to sign out with your coach. If you are riding with someone other than your parent/guardian, your coach will need to talk to a parent and a written note will be needed. Parents should be waiting at the school for the bus to arrive back in Franklin. You can check your season schedule out on the Franklin website. When you get to the website go to FMS, click on the athletic tab to view your schedules. If you want updates on schedule changes, put your email or cell number at the bottom of schedules to receive updates.

Football Season

Varsity Head Coach-Mike Hedrick

7th Grade Head Coach – Shad Reed
