

ICE AGENTS AT YOUR DOOR

If Immigration Agents come to your door:

Do not open the door.

You are not legally required to let them in unless they have a warrant.

Ask why they are there.

If you don't speak English, you have the right to an interpreter.

If they want to enter, ask to see a warrant.

There are two kinds of warrants: *search* and *arrest*.

- A *search warrant* allows police to enter the address listed on the warrant, but officers can only search the areas and for the items listed.
- An *arrest warrant* allows police to enter the home of the person listed on the warrant if they believe the person listed is inside. A warrant of removal/deportation (ICE warrant) does not allow officers to enter a home without consent.
