

## LMS Weekly Bulletin 3-23-18

Eighth grade students now have the opportunity to participate in golf. They will be allowed to practice with the high school team and get guidance under Coach Lundberg, a limited number of tournaments may allow 8<sup>th</sup> grade participation. The school will allow students to ride route bus 2017 to the golf course, but they must be picked up by parents after practice. We do have some basic sets of clubs that can be utilized if students do not have their own. Practice starts on Monday, March 26<sup>th</sup> after school.

Parents, please continue to keep an eye on your student's social media use. We are seeing more students involved in problematic situations that revolve around social media. Having parental locks and the ability to monitor your child's activity is important to keep your child safe. If you have questions or concerns, please don't hesitate to reach out. We have a number of resources we can help direct you towards.

**The LMS school activity calendar is continuously updated on the school webpage. Please reference the calendar for school activity information.**
