Dear Families of 3rd, 4th, and 5th grade students,

Any student who is absent for one or more of the testing days will be required to take the missed test during the “make-up” period the following week.

Please make sure that your child receives sufficient sleep the night before, as well as a nutritious breakfast the morning of each test. In addition, please ensure that your child arrives to school on time, as he/she will not be allowed to enter the testing location after the test begins.

Thank you for your anticipated support.

Sincerely,

Caleb Rhodes
