January 8, 2018

Dear Prior Participant,

You are receiving this notice because you were personally involved in providing valuable input into our last six-year comprehensive plan. The Penns Valley Area School District is now mid-way through our current comprehensive plan, developed to guide our educational system through the year 2020. Additionally, we used input from our education innovation committee to help create some of the tenets contained within our refined vision, we now call the Penns Valley Learning Experience. The Penns Valley Learning Experience has been incorporated as an integral part of our comprehensive plan.

The administration and board regularly reviewed our progress toward accomplishing the goals contained in the comprehensive plan. We then use this information to establish our activities for the upcoming year. As a more formal process, the Pennsylvania Department of Education requires us to complete a mid-point review. As part of the review process we wish to include input from those who participated in the original creation of the plan. This input should help maintain the relevance of the plan, so that we may continue to use our plan to guide annual activities that support the goals contained therein.

Please join us on Thursday, February 1, 2018 at 7:00 PM in the Penns Valley Elementary and Intermediate Library to hear a status report on our progress. We are asking you to provide an RSVP to Shelly Weaver by Friday, January 19, 2018 so that we can properly prepare for your attendance. Please contact her at sweaver@pennsvalley.org or at 814-422-2000 x 2528.

Thank you,

A handwritten signature in black ink that reads "Brian K. Griffith".
