Overview

The services at VCSS Perris are highly individualized and flexible in order to meet the specific needs of families, stabilize immediate crises, and to provide care for the child in the least restrictive setting possible.

VCSS Perris maintains a favorable staff to client ratio that allows treatment contact to be tailored to each client's particular needs. We take a team approach that includes Psychiatrists, Clinicians, and Rehabilitative specialists.

Criteria:

- Children Under 18 Years Old
- Medi-Cal Eligible
- Residents of the City of Perris
- Meets Medical Necessity
- Children are enrolled in the following school districts: Menifee, Romoland, Perris, Val Verde or Nuvview

Our Services

- Assessment and Evaluation
- Individual, Family and Group Therapy
- Rehabilitative Services
- Parent Training and Family Support
- Crisis Intervention and Stabilization
- Psychiatric Services including Medication Support and Monitoring

Results

Initial data collected from VCSS's school based programs have shown a reduction in referrals to the school office and increased academic performance. VCSS Perris utilizes the Child and Adolescent Needs and Strengths Assessment tool for the purpose of tracking treatment progress as well as a tool to provide feedback to the program regarding overall effectiveness and quality of services provided.
