- **College Spirit Day Fridays:**  
On the First Friday of the Month students, are encouraged to wear college attire to promote a college-bound atmosphere at Park.
- **Themed Spirit Days:**  
On certain days, students are encouraged to wear themed, spirited clothing. Dress code including, no leggings, shorts/skirts not shorter than mid length, close-toed shoes, no spaghetti straps, must still be followed.

Students not in uniform will be sent to the office during their recess time to change. Parents are asked to wash and return the borrowed clothing the next day. For safety reasons, students wearing inappropriate shoes will have their parents called immediately and must have someone bring an alternate pair of allowable shoes to school for the student.

**Financial Consideration: No student will be penalized in any way for failing to wear the uniform for reason of financial hardship. Please see our home school coordinators, Ms. Rose or Ms. Lynn who will align you with community resources for uniforms.**
