

2018 Rutherford Works SUMMER CAMPS

All camps have a max of 20 students, run from 9am-3pm each day, and are BYO Lunch.

Girls in STEM Camp Cost: \$300

Female campers will learn engineering basics and program robots to solve real-world problems! Students need to bring a device (*tablet or phone with Wi-Fi capabilities*) from home.

Age: Incoming 6th – 8th graders
Camp is intended for female students

Date: June 4 – 8, 2018

Time: 9:00 – 3:00

Location: Blackman Middle School

Facilitators: Theresa Saupe & Bobbie Jo Meredith

The Maker's Coding Lab Cost: \$250

Explore the world of computer science through various coding activities and hands-on physical computing.

Age: Incoming 3rd – 5th graders

Date: June 11 – 15, 2018

Time: 9:00 – 3:00

Location: Blackman Elementary

Facilitators: Tim Carey & Herman Nelson

Bits and Bots Camp Cost: \$300

Male campers will learn engineering basics and program robots to solve real-world problems! Students need to bring a device (*tablet or phone with Wi-Fi capabilities*) from home.

Age: Incoming 6th – 8th graders
Camp is intended for male students

Date: June 18 – 22, 2018

Time: 9:00 – 3:00

Location: Blackman Middle

Facilitators: Zach Martin & Kevin Welch

Buy It, Make It, Move It, Sell It Camp Cost: \$300

Through hands-on workshops and industry tours, campers will dive into the business world to learn “how it’s made” through Supply Chain Management concepts.

Age: Incoming 10th – 12th graders

Date: June 18 – 22, 2018

Time: 9:00 – 3:00

Location: Students will meet at the Rutherford Chamber

- Bus to various locations, such as

NISSAN and General Mills

Facilitator: Cliff Wellborn

“Create with Code” Camp Cost: \$250

Step into the role of a professional engineer or computer scientist by learning the basics of programming languages & electric circuits. Camp projects include: coding microcomputer LEDs, motion sensors, Bluetooth technology, and more!

Age: Incoming 9th – 12th graders

Date: June 25 – 29, 2018

Time: 9:00 – 3:00

Location: Central Magnet School

Facilitator: Emily Hines

Skills for Their Resume (no matter the age)

For the fourth consecutive year, Rutherford Works is excited to facilitate camps that inspire students to explore careers in growing industry sectors within Rutherford County.

These summer camps are available for elementary, middle, and high school students. No prior experience is needed. Courses are taught by experienced educators from right here in Rutherford County who are passionate about helping students expand their knowledge, understanding, and interests.
