

Kingsville Independent School District

H. M. King Early College High School STEM Academy

Lottery Application

Students entering the ninth grade in the Fall of 2018

H M King Early College High School STEM Academy Description

The HM King ECHS Science, Technology, Engineering and Mathematics (STEM) Academy is a rigorous four-year program designed to encourage students to explore careers in the areas of technology and engineering and provide them with the necessary tools to be successful. The mission of the STEM Academy is to provide a safe and challenging academic environment, in collaboration with community partners that will empower students to achieve future of excellence.

Application Process

This application does not guarantee admission into the ECHS STEM Academy. Applications should be turned in directly to Ms. Sanchez, counselor at Memorial Middle School or Mrs. Ramirez at H. M. King High School. All applications will be reviewed for completion- A public lottery will be held if application numbers exceeds 100. Students that are not selected will be placed on a numbered waiting list and will replace any student that withdraws or leaves the program.

Application Instructions

1. Please use ink and print clearly.
2. Please turn in application directly to Ms. Sanchez, counselor at Memorial Middle School or Mrs. Ramirez at H. M. King High School. If any part of your application in inaccurate, incomplete or unsigned, your application will not be considered.
