

## ORGANIZATION CHART

## **MISSION STATEMENT**

Department staff will provide services to students and their families that will ensure every child is healthy and ready to learn. Staff will adhere to established policies and standards to maintain optimum health, safety and wellness. Children and youth will be assessed to enhance attendance and educational success. Communication with parents and collaboration with other providers will eliminate barriers and improve learning. Students will benefit physically, mentally and emotionally from the variety of services and programs that are available from department staff.
