Mission Statement

The mission of Bakersfield Adult School is to enrich the lives of our students by providing opportunities for achieving personal and professional success.

On November 8, 2017, Community Advisory Council Meeting was held at Café 1600, one of our Career Technical Education Programs. This was the opportunity to share and discuss Professional Development and Training needed for our BAS students. The industries involved were; Business Certification Sequencing, Info. Tech Specialist, Culinary and Food Service Programs.
On November 3, 2017 BAS’s Resource Fair was held. It was an opportunity for businesses and students to meet and discuss educational, vocational or work experience requirements. In addition, students were introduced to a variety of community resources.
