MISSION STATEMENT

Davisville Middle School is committed to providing our students with pathways for academic and personal success through challenging and diverse educational opportunities.

PROGRAM ORGANIZATION

Davisville Middle School is organized in the middle school concept of interdisciplinary teams. An interdisciplinary team consists of four to five academic subject area teachers (ELA/reading, mathematics, science, and social studies, and/or Spanish). During a mutual team-planning period, team teachers work together on curriculum matters, scheduling, student concerns, and team activities. Each team maintains its own standards within the framework of school regulations and policies as set forth in this handbook.

We will continue our two-day rotation schedule this year; the numbers 1 and 2 designate days. We also rotate morning classes and afternoon classes daily.

Grade 6: Students have five academic subjects: literacy (reading and writing) , mathematics, science, and social studies.

Grade 7: Students have five academic subjects: literacy (reading and writing) mathematics, science and social studies daily.

Grade 8: Students have five academic subjects: ELA , mathematics, science, social studies, and Spanish daily.

All special area classes are scheduled every other day. Not all students in all grades will participate in every special area class.

Full year courses: Physical Education, Strings, Chorus, and Band - Students who elect to take Strings, Chorus, and/or Band have made a commitment for the entire school year.

Semester courses: Health (required for all students), Art, Computer Applications, Family Consumer Science, Music, Robotics, Wood Technology, and Reading and/or Math Support can be either a semester or full year class.

Special services are available through our special education teachers, speech therapist, psychologist, social worker, and school counselor. Any parent who feels his child is in need of and qualifies for the above special services should call the guidance office at 541-6321 or 541-6322.

GUIDANCE SERVICES

The guidance office is open during the regular school day. A student may go to the counselor only after receiving teacher permission. When the school counselor is not available, the student may fill out a request slip and the counselor will arrange a meeting. The counselor welcomes contact from parents about their child's progress. Appointments with a counselor can be made by calling Ms. Mancini (6th and 8th grade students) at 541-6321 or Ms. Larned (7th grade students) at 541-6322. **Parents are also encouraged** to contact teachers and teams with concerns about their child's academic progress. Parents can email a team teacher to schedule a parent/teacher meeting or call the school (541-6300/541-6301) for either an appointment or a progress report. Your call will be returned in 24 hours.

ACADEMICS

REPORT CARDS

Report cards are posted quarterly on ASPEN. Grades appear in numeric form on report cards. Parents will be asked to acknowledge they have seen their child's report card through the ASPEN system unless a paper copy is requested. When parents are notified that their child is either falling behind in his/her schoolwork or in danger of failing, a parent conference should be requested. The conference will provide an opportunity for the teacher, parent, and student to develop a remediation plan. Parents can register for an account on ASPEN to monitor grades throughout the year.

HOMEWORK

The amount of homework will vary from teacher to teacher. However, parents should expect homework in all subjects on a regular basis. The homework guidelines adopted by the School Committee are:

- **Grade 6:** an average of 45 to 60 minutes/five days per week
- **Grade 7:** an average of 60 to 75 minutes/five days per week
- **Grade 8:** an average of 75 to 90 minutes/five days per week

PLACEMENT ON ACADEMIC PROBATION

Academic probation is when a student is not considered in good academic standing. Each quarter any student who receives a grade of "F" (64 or below) in two or more academic or special area classes will automatically be placed on academic probation. *The student's report card serves as notification of academic probation status.*

CONSEQUENCES FOR BEING ON ACADEMIC PROBATION

Any student who is on academic probation is not permitted to attend nor participate in special school events and activities such as: dances, after school extracurricular activities, including intramurals, for the duration of the probation.

INTERSCHOLASTIC SPORTS ELIGIBILITY

The criteria below is used to determine interscholastic sports eligibility for North Kingstown students:

- Students passing all classes may try out and play for a sport.
- Students failing one class are also eligible to try out and play for a sport.
- Students failing two or more classes are **not eligible to tryout for a sport**. For instance, if a child has failed three classes on their first quarter report card, s/he cannot tryout for the basketball team.
- If a student is placed on academic probation during the season, they will not be able to practice or play on the team until progress report time. If the student is passing all but one of his or her classes at that time, s/he will be able to participate on the team again.

HOW TO GET OFF ACADEMIC PROBATION

Students must have no more than one failing grade at progress report time. Students need to check with their guidance counselor or receive confirmation from Ms. Eisner that they are off academic probation.

SUMMER SCHOOL PROGRAM

The summer school program is for students who have failed one or two classes. The middle school can require any student who does not successfully complete schoolwork during the school year to attend this program for promotion. Students who fail more than two classes for the year are at risk for retention and cannot participate in end of year activities or the eighth grade promotion exercise.

SPECIAL PROGRAMS AND AWARDS

OPEN HOUSE

Open House will take place this year on Tuesday, September 19, 2017 starting at 6:30pm in the cafeteria.

HONORS PROGRAM

High Honors Criteria: Students must earn a cumulative average of 90 or above with no failures each quarter.

Honors Criteria: Students must earn a cumulative average of 85 or above with no failures each quarter.

Note: When both high honors and honors criteria are calculated at the end of the quarter core academic classes are given full weight, special area classes are given half weight.

Effort Roll: A student must receive all passing grades in addition to "E1" or "E2" in all classes in the effort category on the report card. Students must receive a C3 or better in all subjects for conduct. Students who achieve High Honors or Honors status will not receive additional recognition on Effort Roll.

DMS Honor Society

Scholarship - Students must have an overall average of 90% or higher *by the end of third quarter*.

Note: Classes are weighted based on the time of year grades are calculated and how often classes meet throughout the year.

- Core Academic Classes (meet every day) - .75/Literacy block counts as 1.5
- Annual Special Area Classes (meet every other day all year)- are worth .375
- First Semester Special Area Classes (meet every other day for one semester) are worth .25
- Second Semester Special Area Classes (meet every other day for one quarter) are worth .125

Students must also satisfy the Service, Leadership, Character, and Citizenship criteria to be eligible for Honor Society. A separate handout that is available in the main office or on the DMS website gives an in-depth explanation about the criteria and student signature forms. *All documentation must be submitted no later than Friday, May 4, 2018.*

BE THE BEST YOU CAN BE AWARD

This award program nominates students by a teacher/team for academic improvement or effort or demonstrating outstanding behavior in one or more of the following areas: sustained kindness, compassion, a willingness to help, a spirit of cooperation, and/or a positive and caring attitude toward others and academic achievement. Students receive a complimentary lunch with the principal at the Be the Best You Can Be Award celebration.

EIGHTH GRADE PROMOTION EXERCISE/END OF YEAR ACTIVITIES

Eighth graders who have met the minimum requirements for the school year (failing no more than two academic subjects for the year) are invited to attend the eighth grade promotion exercise at the end of the school year. Students who are not eligible may not attend end of year activities nor the ceremony. All end of year activities (beach trip, BBQ, and dance) are also contingent upon students' behavioral and financial (i.e. owes books, returns Chromebook, field trip money, PE locks) status by the dates of the end of year activities.

STUDENT SERVICES

LATE BUSES

Late buses are for the use of students in afterschool programs. Students attending these programs will sign into the activity and be issued a late bus pass. **STUDENTS LEAVING SCHOOL GROUNDS MAY NOT RIDE THE LATE BUS.** Late buses are available on Tuesdays and Thursdays. Students who stay after school on Mondays, Wednesdays, or Fridays must arrange their own transportation home.

INTRAMURAL ATHLETICS

The goal of our intramural program is to provide as many different athletic experiences as possible to any student who might wish to participate. The emphasis is placed on *participation*. However, reasonable competition is a good and healthy experience for middle school students. This program is conducted after school on announced days. Each sport runs for ten sessions and is conducted/supervised by one of the faculty and/or staff members. *Examples of intramural sports are: touch football, tennis, table tennis, basketball and volleyball.*

DANCES

- Dances are sponsored by the DMS PTO.
- Dances are held four times a year from 7-9 pm. **You must have a ride home at 9 pm.**
- The cost of a dance ticket is \$5. Students may not buy tickets for anyone but themselves.
- Students who want to attend the dance **cannot be failing more than one class.**
- Any student who receives two discipline referrals (written up) for behavior issues the month of the dance cannot attend the dance.
- Only DMS students can attend the dance.
- All tickets are sold during lunches the week of the dance. **Tickets are not sold at the door.** If a student forgot his/her money to purchase a ticket, s/he needs to see Ms. Eisner to secure a ticket and pay at a later time.
- If a student will be late to the dance due to a previous engagement, the student will inform the parent selling dance tickets and it will be indicated in our records. A parent must walk any student late (past 7:30 pm) to the door of the gymnasium.
- School rules apply at school dances, including behavior, dress code and cell phone use.
- Students who are unsafe or noncompliant at the dance will be sent home and ineligible to attend the next dance.

LOST AND FOUND

Clothing and books are placed in the cafeteria. Money, glasses, jewelry, and electronics are placed in the office. Please check these areas before speaking to a teacher or administrator. Articles unclaimed after a reasonable amount of time will be donated to charitable organizations.

SCHOOL STORE

A large variety of school supplies may be purchased from the school store at a nominal cost with permission from a student's teacher. The school store is in room 110 and supervised by Mr. O'Neil.

RULES AND REGULATIONS

POSITIVE BEHAVIOR SUPPORT SYSTEM (PBIS)

DMS uses the Positive Behavior Support System (PBIS). This program was implemented to raise the behavioral expectations of our students, which in turn provide strategies for helping all students achieve positive social and learning goals. As part of the PBIS program, we establish clear rules for the behavior we expect in all areas of our school. We teach those expectations to the students. By detailing every expected behavior and teaching them to the students in a positive way, we will provide a common language for everyone in our building. We do this through grade level and whole school assemblies. **We believe** that by helping students practice good behavior, we will continue to build a school community where all students have an environment where they can succeed and grow. That is why our motto is "Be the Best You Can Be." One of the most common ways we acknowledge good behavior is by issuing *Good News Cards* to students. Students are eligible to enter the weekly raffle by submitting their *Good News Cards* in the main office. Winners of the weekly raffle can choose one gift card from a variety of

local businesses. The school wide behavior matrix is posted in all classrooms around the building. The purpose of this is to consistently remind students of the behavioral expectations in all aspects of their school day.

ATTENDANCE

A student will be excused in case of illness, with medical documentation, or a death in the family. A PHONE CALL FROM THE PARENT/GUARDIAN TO THE STUDENT ABSENCE LINE (541-6306) IS REQUIRED. *Students may not attend after school or evening functions if they were absent during the school day.*

UNEXCUSED ABSENCE

Truancy is a very serious violation of school attendance laws. *A student who is absent without medical documentation for more than 10% of the school year may be referred to Truancy Court.*

TARDINESS

Upon arrival, a student late for school *must* report to the office for a tardy slip. A student will be marked tardy if s/he is not sitting in advisory at **8:10 am**. The ONLY excused tardies are students with written notes indicating a medical/mental health appointment or mandated appointment by an agency/institution. If a student receives five unexcused tardies he/she will receive office detention. After a student is assigned the first detention for a total of five tardies, students that continue to be tardy will receive detention ***every time they arrive late to school***. Some examples of UNACCEPTABLE excuses are: oversleeping, studying for an exam, finishing a project, missing the bus, Mom/Dad was late, etc.

For class: a student who is not in his/her assigned room by the beginning of class will be considered tardy. The teacher of the previous class, for sufficient reason, may issue late admission passes. The office will not issue a late pass unless someone in the office has detained a student. Lateness to class interrupts and inconveniences teachers and other students. The students will be subject to a teacher’s discipline such as teacher detention; teachers will explain the tardy policy to students at the beginning of school.

EMERGENCY CLOSINGS

On days of severe weather or other emergency situations, the Superintendent may decide to close school or send students home early. A phone message via School Messenger, the school district phone message system, will be sent to your home if school is closed or if students are sent home before the end of the school day. Information regarding closings will also be broadcast frequently over local radio and TV stations as well as websites soon after 6 am. Be sure to check **www.nksd.net** and/or other media resources for up-to-date information. **FOR YOUR CHILD’S SAFETY - PLEASE TELL YOUR CHILD EARLY IN THE SCHOOL YEAR WHERE TO GO IF YOU ARE NOT HOME WHEN S/HE RETURNS FROM SCHOOL.**

OBSERVANCE OF RELIGIOUS HOLIDAYS

Students who are absent from school for religious observances (i.e. Rosh Hashanah, Al-Hijra) will not be restricted from awards for otherwise perfect attendance nor penalized for not completing their work.

EARLY DISMISSAL

Students will not be dismissed from school before the normal dismissal time without a written note from parents. Students should obtain early dismissal slips from the office during locker time or after morning announcements. The parent requesting the early dismissal must come into the building (or the designated emergency contact person), show identification, wait for the child in the main office and sign him/her out of the building. The student being dismissed must report to the office before leaving. A form of identification (i.e. driver's license) is required when releasing students. Only adults listed as emergency contacts are able to sign out students.

MAKE-UP POLICY

Teachers are required to provide an opportunity for students to make up work missed as a result of legitimate absences. Make-up work shall include class assignments, quizzes, tests, etc. Long-term projects are excluded from this policy and are due on the original due date.

- The student is ultimately responsible to make arrangements for make-up work. Students should find a responsible choice of a homework buddy. If your child is absent for one or two days, then homework may be obtained by calling the homework buddy. Teachers require a 24-hour notice for homework requested.
- Make-up work must be completed within a period of time as established by the teacher. The minimum amount of time given for makeup work must be twice the number of school days of legitimate absence.
- Students who skip class, are truant from school, or are suspended from school are expected to make up any missed work. Assignments are due the day students return to class.
- If a student is going to be absent for an extended period of time, the parent must send in a note to notify the principal, team teachers, and clinic. Teachers reserve the right to provide the work upon the student's return to school. However, students are encouraged to meet with teachers in advance to create a work plan. *Students must make up work when they return.*
- Any student who fails to meet the deadline will forfeit his/her right to make up the work not completed.

OPENING/DISMISSAL

Opening: DMS doors open at 7:45am. At 7:45am students report to their holding areas: cafeteria for grade 8 and the gymnasium for grades 6 and 7. Students are not permitted to go to their lockers before locker time at 8:02am unless given permission by a teacher. Students who need to see a teacher prior to 7:45am needs to *make arrangements with the teacher ahead of time and **check in at the main office before reporting to the teacher's classroom.** Students may not enter the school building before 7:45am unless they are scheduled to meet with their teacher.*

Dismissal: Students will be dismissed by grade at the end of the school day. **FIRST BELL** is for sixth grade students, **SECOND BELL** is for seventh grade students, and **THIRD BELL** is for eighth grade students. All students are to leave by the front doors only.

MEDICAL EMERGENCIES

A student needing emergency medical help will report to the clinic. If the student is unable to move, a staff member in the clinic will report to and/or retrieve the student from class. During the early part of the school year you will receive an emergency card to be completed and returned to the clinic. The emergency card is very important as it tells us the person to contact in case of injury or illness.

IT IS ABSOLUTELY ESSENTIAL that emergency telephone numbers are recorded on each student's emergency card in order to contact a parent, relative, or neighbor in case of emergency. Work numbers must be included. Be sure that the person listed on the emergency card knows that he/she is listed and that he/she is generally available at the number listed during the school day. Should a student become ill during the school day, these emergency cards will be used to make contact with the responsible person(s) listed to bring the child home. The school may call for further emergency services including transportation to a hospital if deemed necessary. **FOR CHILD'S SAFETY- KEEP SCHOOL INFORMED OF ANY CHANGES REGARDING FAMILY AND EMERGENCY CONTACT TELEPHONE NUMBERS. ANY ADULT WHO PICKS UP A STUDENT MUST BE INCLUDED ON THE EMERGENCY CARD AND NEEDS TO SHOW PROPER IDENTIFICATION IN ORDER FOR A CHILD(REN) TO BE RELEASED TO THEM.**

NO-CONTACT/RESTRAINING ORDERS, PROPERLY DOCUMENTED, MUST BE FILED WITH THE PRINCIPAL OR ASSISTANT PRINCIPAL AS SOON AS THEY ARE IN EFFECT. ANY CHANGES TO THESE ORDERS MUST BE REPORTED IN A TIMELY MANNER.

MEDICATION

The use of medicines during school hours is allowed only if absolutely necessary for the health of the student. School Committee approved regulations are as follows:

Medication in school may only be used on rare occasions, and use should be scheduled outside school hours when possible; if this is impossible, the following will apply: Medication must be brought to school by the parent at which time a release form must be completed with the following information:

1. All prescription and non-prescription medications require an order from a provider licensed to prescribe medications in Rhode Island. This document must identify the condition requiring medication, the drug, dosage, route of administration, any reaction expected, if any, and when and for how long the medication

is to be given to the student. (When leaving a controlled substance medication at the school, the parent shall count and sign the medication count slip.)

2. All Epi-Pens and inhalers are stored in a secured area within the clinic and closely supervised. Please note: middle school students are encouraged to self- carry these medications for optimal school health.
3. All medications must be in the original labeled container from the pharmacy.
4. For all medications administered by the school nurse-teacher, all parent authorizations and licensed provider's orders shall be renewed no less than annually by the certified school nurse-teacher.
5. A certified nurse-teacher shall administer medication to the student within the school setting. No one other than the parent shall administer medication to a student with the exception of Epi-Pen administration for emergency, unless specifically requested in writing by the parent.
6. All medications must be picked up prior to the close of the last day of school. Any medication remaining in the school clinic will be disposed of after this period of time.

CHILD ABUSE

The teachers, administrators and staff of Davisville Middle School have the responsibility to report to the appropriate agency any suspicion of abuse of any nature.

CHROMEBOOKS/TEXTBOOKS

Chromebooks and textbooks are the property of the North Kingstown School Department and are loaned to students. They become the student's personal responsibility. Students will be charged for any damage or loss that occur while in their use. Therefore, it is to a student's advantage to use book covers, purchase a Chromebook case or textbook cover, and write their names in the book or label the device. Notify your teacher immediately when a book or device is lost or damaged. A new book/Chromebook will be issued when payment is received in the office for the lost item.

PHYSICAL EDUCATION

Participation:

- All students must participate as required by law.
- A one-day excuse for medical reasons requires a note from parent/guardian and the principal's permission. A note must be brought into the office by the end of locker time, before first period, on the day of the request to be excused. A student may not have more than three parent medical excuse notes.
- Exclusion from physical education on a permanent basis or extended period of time requires a doctor's note. This note must indicate a return date for participation in the physical education program.

What to Wear:

- Sneakers, socks and a PE outfit are a must!
- No jewelry is allowed for safety reasons. If a piece of jewelry cannot be removed, then it is the student's responsibility to cover it with tape.

Lock and Locker:

- All students are issued a physical education locker and combination lock. Students are responsible for the combination lock for the entire school year. Lost and/or stolen locks must be replaced at the student's expense.

REMEMBER: LOCK UP YOUR POSSESSIONS! STUDENTS SHOULD LEAVE VALUABLES THAT CANNOT FIT IN THEIR PHYSICAL EDUCATION LOCKER WITH THEIR PHYSICAL EDUCATION INSTRUCTOR FOR SAFEKEEPING.

THE SCHOOL CANNOT BE RESPONSIBLE FOR LOST OR STOLEN ITEMS.

SCHOOL BUSES

The expected behavior on the bus is identical to that of the classroom. A student will be permitted to ride only so long as his or her conduct is favorable. Listed below are the rules which each student riding a bus is required to follow.

DO

1. Leave home early enough to arrive at the bus stop ten minutes before the normal bus pick-up time.
2. Enter and leave the bus only when the door is fully open and never when the bus is in motion.
3. Take your seat promptly on entering the bus and remain in it until you arrive at your destination.
4. Keep your lunch boxes, books, athletic equipment, backpacks, and musical instruments out of the aisle.
5. Avoid loud, boisterous talk and other noises or actions that might distract the driver.
6. Assist in keeping the bus clean by keeping your waste paper off the floor.
7. Conduct yourself on the bus as you would in school, as the bus is an extension of the school day.
8. Leave the bus promptly and in an orderly manner.
9. Cross the highway at least 10 feet in front of the school bus.
10. Be respectful to your bus driver and monitor. They have an important job to do and need your help.

DO NOT

1. Stand or play in the roadway while waiting for the bus.
2. Push or shove upon entering or leaving the bus.
3. Project your hands, arms, or other parts of your body from the bus.
4. Throw anything out of the windows.
5. Eat or drink on the bus.
6. Enter into conversation with the bus driver while the bus is in motion, except to report an emergency.
7. Smoke or light matches on the bus or at the bus stop.
8. Bring any animal on the bus, except for muzzled "seeing eye" dog.
9. Bring anything on the bus that could cause injury to another, such as sticks, breakable containers, or firearms.
10. Cross the highway until given consent of the bus driver or monitor.
11. Bring younger children from home on the bus.

Except in the event of an emergency, students are not allowed to ride on buses other than the one that they are regularly assigned to, and must use their assigned stop. A note must be brought to office to seek approval from the transportation department. Parents are responsible for providing personal transportation to after-school destinations such as friends' homes, etc.

For safety reasons, large items that cannot safely be held on one's lap may not be brought on the bus. Large items cannot be safely secured in empty seats and may become missile hazards in the event the bus stops short, or is involved in an accident. The bus driver has the authority to prevent unsafe items from being brought on the bus. Parents/guardians of students damaging school buses will be responsible for proper reimbursement to the North Kingstown School Department.

BICYCLES AND SKATEBOARDS

Bicycles must be parked in the bike racks and locked during the school day. Remember to wear a helmet!

Skateboards may not be brought inside the school building.

FIELD TRIPS

Field trips are planned throughout the year to enhance students' learning. Any student who was eliminated from a field trip by an administrator or a teacher is expected to attend a regular school day. Students remaining at the school will receive appropriate assignments and arrangements will be made for their supervision. Medication on field trips will be administered in accordance with school department policy.

MEDIA CENTER

Student Use

- Students may come to the library when class is not in session with a pass from a teacher. The pass will be presented to the librarian upon arrival in the library. When the student leaves, he/she will take the signed pass back to the classroom. A pass is not required when a teacher brings an entire class to the library.
- Students are allowed to borrow up to four books at a time. ***During the time a book is out, it is the student's responsibility.*** Should the student let the book out of his/her possession or allow the book to incur damage, the student remains financially liable for the book.
- Books and magazines circulate for three weeks. If, at the end of the time the student still needs the item, it may be renewed unless there are pending holds on it. It is necessary to bring the book or magazine to the library in order to renew it.
- Students with any overdue items or damaged items that haven't been paid for will lose borrowing privileges until the overdue/damage issue has been resolved. Students who repeatedly have overdue books or damage items may lose library privileges.

HALL PASSES

Students are required to sign out and back in when s/he leaves a classroom. Students must have a teacher/hall pass if they leave the classroom during a non-passing time.

CHEATING/PLAGIARISM: As per the district middle school grading policy: NSBA # IKA.1

- **Formative (i.e. homework, classwork) Items:** At discretion of administrator after consultation with the teacher, a parent will be notified and the student will receive a zero. Notification will also be given to the guidance counselor.
- **Summative Items (i.e. quiz, test, project):** At discretion of administrator after consultation with the teacher, a parent will be notified and the student will receive Detention or In-School Suspension and must complete the original work to proficiency at that session(s) for 40% credit.
- If a student is found to be cheating more than twice in the same class, a failing grade for the quarter will be posted.
- Using another person's computer work through an exchange of files or codes will be regarded as academic dishonesty.
- Any student who aids others in cheating will be subject to disciplinary action.

CHROMEBOOKS

Chromebooks are now part of a student's daily responsibility to be prepared for school. Students are responsible for having a charged Chromebook ready each day they attend school. Although there are loaner Chromebooks available in the office for students, the primary function of these Chromebooks are for students who have Chromebooks out for repairs or are unprepared on occasion. Students who repeatedly borrow a Chromebook from the office because they forgot it at home or their Chromebook does not have enough battery life to sustain the school day will be subject to disciplinary action. Student may only borrow Chromebooks after morning announcements.

DISCIPLINARY ACTIONS

Teacher Detention: Teachers give lunch detention for different reasons. It is the first step in dealing with an undesirable behavior in class. Lunch detentions are often served the day they are issued. If a behavior continues to be a problem in class, a teacher may give a detention notice for their own after school detention with the specific date and reason. It is to be signed by the parent(s) and returned to the person issuing the notice. At times, a phone call to the parent by the teacher or administrator could take the place of a written notice.

Office Detention: Students may be placed on office detention for violation of school rules. An administrator assigns students office detention. A phone call will be placed to the parent or a written detention notice will be issued to the student. The student is personally responsible for having the notice signed and returning it to school. Detention takes place Tuesday and Thursday afternoons from 2:40-4:10pm. If a student is taking the late bus, they remain with the detention supervisor until the late bus arrives.

The purpose of issuing detention notices is as its title indicates – notification to parents. IT IS NOT A PERMISSION SLIP. Any student or parent who questions the validity of an assigned detention should contact the faculty or staff member who issued the detention. In such instances, every effort is made to resolve the situation, but IT IS IMPERATIVE THAT ANY PROBLEMS BE ADDRESSED UPON ISSUANCE OF THE DETENTION AND BE APPROACHED IN A RESPONSIBLE FASHION. If the late bus is not running, transportation from school to home for the detained student is the responsibility of the parents. Late buses run Tuesday through Thursday afternoon. Students who do not receive a satisfactory evaluation for their detention behavior or fail to show for detention will be reassigned and will receive an additional detention. Should either occur a second time, the student will be suspended for the second or any subsequent offense.

Behavior Probation: Offenders of school rules may be placed on probation. The student is told what privileges are restricted and the length of the probation period. A copy of the probation notice is sent to parents, guidance counselors, team, and special area teachers. Any student on an interscholastic team will be suspended from participating with the team during the period of probation.

Suspension: The Principal and the Assistant Principal have the authority to suspend a student from school for due cause. When a student is suspended, the parents/guardians will be notified immediately by phone if possible. If the suspension is for more than one day, a letter containing the reason for suspension, the length of the suspension, and the date of the student's return to classes will also be provided. Suspended students lose all privileges, i.e. attending school dances, field trips, etc. for the duration of the suspension period. Suspended students are not allowed on school grounds for any reason. Obtaining homework is the student's responsibility. Homework – refer to make-up policy. The appropriate school administrator will contact the parents/guardians when the decision to suspend the student has been made. Students may be assigned in school suspension at DMS or attend the PASS program at North Kingstown High School. Due to space and personnel limitations, suspended students sometimes cannot be maintained in an in-school suspension situation. Therefore, it is THE PARENTS'/GUARDIANS' RESPONSIBILITY TO PROVIDE OR MAKE ARRANGEMENTS FOR IMMEDIATE TRANSPORT OF THE STUDENT HOME WHEN THE SUSPENSION OCCURS. Parents/guardians will be informed if a conference is necessary to readmit a suspended student to school.

Drugs/Alcohol/Tobacco: The use, sale, possession, or transfer of drugs and alcohol or the intent to do so is strictly forbidden. If a student is in possession or under the influence of drugs or alcohol, his/her parents and the North Kingstown Police Department will be notified. Violations of the above will result in parental contact and suspension.

Fighting: Fighting is strictly prohibited on school property, on school buses, and at bus stops. If a student is having a problem with another student(s), he/she should immediately inform a member of the DMS staff. Any student who fails to avoid a fight by seeking a teacher's or administrator's help whenever possible, will be subject to parental contact and suspension. KEEP YOUR HANDS TO YOURSELF! Pushing and "play fighting among friends" are UNACCEPTABLE and UNSAFE. Any student who participates in a fight, regardless of "who started it" is subject to the above policy and consequences.

Vandalism: Destruction of school property or materials is a very serious matter. Examples of vandalism are: breaking school property, writing on the school building or furniture, removing keys from a computer keyboard. Any student guilty of defacing or destroying any part of the school building or its content will be subject to suspension and possible prosecution. The student and his/her parents will be responsible for financial restitution.

Laser Pointers: RI General Law 16-21.2-11 prohibits students from possessing laser pointers of any kind on school property. Students who violate this law will be required to surrender the device, which will be retained in the office. Laser pointers will only be released to a parent/guardian and students are subject to a consequence.

Permanent Markers: Permanent markers, such as Sharpies, are not allowed in school due to the potential damage they can inadvertently cause to school furniture. Only if students have permission from a teacher for a school assignment may permanent markers be brought to school.

GUIDELINES FOR ASSEMBLY BEHAVIOR

- Students should enter in a quiet, orderly manner.
- It is important to sit quietly while the other classes are seated so the program can begin immediately.
- Be polite by listening carefully to the program. Remember: "listening" means paying attention.
- Once the program has begun, students are to remain with their teachers unless there is an emergency. (Lavatory breaks and drinks are to be taken care of before the assembly.)
- Show your enjoyment of the program by polite applause. Whistling, stomping, cheering, etc., are forms of ill-mannered behavior. We want the program participants to form a good impression of our student body so that they will want to return for a future assembly.
- At all times, show proper respect for our principal, teachers, and fellow students. Be as polite toward them as you would want them to be toward you.
- At the conclusion of the program, sit quietly until dismissed by the teacher; then leave in an orderly fashion.

DRESS CODE

Clothing is a matter of personal taste, however, there are clothing items that are not appropriate for the school day. Students are expected to follow the guidelines below:

- Shorts and skirts should be close to fingertip length (use as a guide) and not ride up his or her legs too high when they sit down. i.e. shorts that have a 5" inseam are appropriate for school.
- Midriff areas in the front or back should not show in between tops and bottoms.
- Tank tops must have straps that have a width of three fingers.
- Thin or see-through tops should have another layer of clothing underneath that covers undergarments. If pants are baggy, a belt needs to be worn to avoid pants from drooping
- No cleavage (top or bottom)
- No visible undergarments are allowed. Examples are bra straps and boxers over the waistline of pants.
- No pajamas, fleece baggy pants, slippers or any other sleep/loungewear.
- Shirts with large armholes (i.e. basketball jerseys or beach style shirts) need another shirt underneath to ensure appropriate coverage.
- No hats, head coverings, sunglasses, handbags, or jewelry with spikes or points of any kind.
- No footwear with a heel over one inch.
- No clothes with any phrases or pictures that relate to alcohol, drugs, inappropriate language, derogatory comments towards others, or any such items that could disrupt the school environment.
- No heavy coats can be worn during the school day.

Students who do not adhere to the dress code guidelines will be given a Dress Code Infraction slip, which will need to be signed by a parent and returned to Ms. Eisner. One slip is a warning, two slips will result in lunch detention, three slips will result in after school detention, and four slips will result in two after school detentions, and five slips will result in ISS (in school suspension.)

LOCKERS – RESPONSIBILITY FOR PERSONAL PROPERTY

Students have the responsibility for keeping personal belongings such as clothing, money, cell phones, iPods, and books safely locked in his or her locker. Students must purchase a lock from school at the beginning of the school year. The lock becomes the permanent property of the student. The combination of the lock should not be shared with other students. *The student, not the school, will be responsible for lost or stolen books or materials.* Student locks can be stolen when locks are not properly secured or when locker combinations are shared. Therefore, stolen locks must be replaced at student expense. Gym lockers containing all personal property must be kept locked during PE classes.

CAFETERIA

Login to www.myschoolbucks.com to pay online and monitor your students' transactions and meal choices. Free and reduced lunch applications are available online at www.nksd.net. Any student who receives free or reduced lunch must understand that this lunch is for him or her only. Students who violate federal regulations regarding the lunch program may lose their entitlement to participate in the program. If a student forgets his/her lunch, they can receive a lunch in the cafeteria and pay the money the next day. It is the student's responsibility to pay back what he or she owes to the cafeteria. If a family/student does not settle an outstanding account, loaning privileges will be revoked. If a parent drops off a student lunch or lunch money, it will be brought to the cafeteria and set on the stage for a student to pick up. We do not interrupt classes to have a student pick up his/her lunch.

FIRE/EVACUATION/LOCKDOWN DRILLS

Emergency drills will be held periodically. Each classroom has a sign indicating to what major exit the students are to use when the fire alarm is heard. Each student is expected to leave the building *silently* and in an orderly manner. Each class will form a quiet line away from the building, and remain outside until the all-clear signal is given. Evacuation procedures and locations are posted in each classroom. These rules must be strictly followed for the safety of everyone. Teachers are responsible for ensuring the silence of students during all emergency drills. During lockdown drills students are expected to remain in their classrooms or report to the nearest lockable room, remain silent, and wait for instructions. There will be at least fifteen drills throughout the school year. Students are expected to follow the teacher's directions during all drills. ***Safety Procedures Are Serious Business. Failure To Observe Procedures May Result In Serious Injury.***

CELL PHONES AND OTHER NON SCHOOL ISSUED ELECTRONIC EQUIPMENT

If a student needs to call his or her parent/guardian during the school day, s/he may ask to call from the office on a land line. S/he **MAY NOT** use their cell phones. Students may be in possession of a cell phone; however, it must remain **OFF AND IN THE STUDENTS' LOCKERS during the entire school day**. Students are not permitted to answer any calls or texts from anyone, including parents. Even after locker time in the afternoon, during 7th period, cell phones are to remain **OFF** and in **students' bags** until they leave the building at the end of the school day. **Students may not use cell phones inside the school.** Portable video games, MP3 players, iPods, tablets, e-readers and cameras may not be used in school without permission. The school is not responsible for lost or stolen electronic equipment. ***Students who are in violation of this policy will have their phone confiscated and a parent needs to retrieve it.*** Consequences may be imposed for multiple offenses and/or if any devices are used during the school day for communication or recording purposes.

TECHNOLOGY ACCEPTABLE USE POLICY

Internet access is available to the students of North Kingstown for educational purposes such as research for class assignments and career development. Network access is available to students for project development and sharing, communications and file storage. These resources are made available to all students through classrooms, the media centers and computer labs. Students should not be directed to unsupervised areas that have Internet access. Everyone using the North Kingstown School computers and computer network will be held responsible for his or her actions. ***Any activity which may be intentionally disruptive to normal operation of the North Kingstown network, the Internet, computers, or the instructional process, will be considered unacceptable.*** Unacceptable use of computers, the network/Internet, or other educational technology may result in the suspension or revoking of the privilege of using the computers and/or the network, and disciplinary and/or legal action may be taken. Some examples of unacceptable use include, but are not limited to:

- Develop or activate programs that harass other users, infiltrate a computer system or alter the software components of a computer system (viruses).
- Crash or attempt to crash the network and/or connected systems.
- Steal data and/or equipment and/or software.
- Use the network for illegal activity, including the violation of copyright or other contracts.
- Access or transmit information that is inappropriate or offensive.
- No use of social media sites.
- No gaming of any kind during class time.

Users are entitled to a reasonable expectation of privacy for their files and email. It is inappropriate and possibly dangerous to reveal one's own or anyone else's personal address, phone number, password or confidential information including credit card numbers, bank account numbers or other financial information. No user may have access to another's private files. The system administrator will access the private files of users only to purge them or to investigate a suspected or proven violation of school rules. A user whose privileges have been terminated may not be able to remove personal files. Possession of any data in any form, which might be considered a violation of the North Kingstown School Department Acceptable Use Policy, may result in the termination of privileges and may result in disciplinary and/or legal action.

As stated above, students should not be using their social media accounts during the school day. The purpose of providing access to technology is to enhance students' educational experience, not to provide time to socialize in class through the use of technology. Students who use social media during class, in particular to threaten, intimidate, or cause emotional distress to another student, will be subject to disciplinary action.

SAFE SCHOOL ACT STATEWIDE BULLYING POLICY

INTRODUCTION

This **Statewide Bullying Policy** is promulgated pursuant to the authority set forth in §16-21-34 of the General Laws of Rhode Island. Known as the Safe School Act, the statute recognizes that the bullying of a student creates a climate of fear and disrespect that can seriously impair the student's health and negatively affect learning. Bullying undermines the safe learning environment that students need to achieve their full potential. The purpose of the Policy is to ensure a consistent and unified statewide approach to the prohibition of bullying at school.

Nothing in this policy prohibits the North Kingstown School Department from complying with federal antidiscrimination laws.
