## MUSIC CLASSES@ SJP

Dear SJP Parents/Guardians and Students,

At *St. John's Prep*, we strive to help students to develop their talents and creativity. With this in mind we are offering our students an exciting and exclusive opportunity to learn to play either piano / keyboard / guitar / drums or bass guitar in a group class on Monday afternoons after school at St. John's Prep.

Classes will be conducted by experienced music teachers and directed by Mr. Fintan O'Neill who has 25 years teaching experience and is a BMI published composer. Mr. O'Neill has performed at many venues including Carnegie Hall and plays for our Graduation, School Liturgies and other events.

**The total cost including registration, music, tuition and administration fee is \$170 for a ten week program. (10 lessons for \$170 ). The group class is 45 minutes (one period) long.**

- Parents/ guardians may register their child on the form ( see over ) or print from the St. John's Prep website and return to the office with a check to Play N Music LLC or pay by Paypal on [playnmusicllc.com](http://playnmusicllc.com).
- Space is limited and registration is on a first come first served basis.
- Students who do not already have a keyboard / guitar / or practice drum may purchase an inexpensive one to practice on at home. The music teachers will be available to advise on suitable instruments. See [playnmusicllc.com](http://playnmusicllc.com) for instrument recommendations.
