Every midterm and quarter those students who qualify will earn a PERK. This is a special activity or trip rewarding those students who have demonstrated positive behavior. Students lose points with each write up as listed on page 5. Below is the breakdown of the PERKs.

10 or less points = eligibility to attend the midterm PERK with your grade level

11 or more points = loss of PERK and will attend a re-teaching session

### **Quarter PERKS (whole school)**

15 or less points = eligibility to attend the quarter PERK with the school

16 or more points = loss of quarter PERK and will attend a re-teaching session
