

Glen H. Dysinger Sr. Elementary School
School Accountability Report Card
Reported Using Data from the 2014-15 School Year
Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (Most Recent Year)

School Profile

Glen H. Dysinger School is located just north of La Palma Avenue in the City of Buena Park, California. The site, located in a residential area, is well known as a “neighborhood school” and has served the community for over 55 years. A team of highly qualified certificated and classified staff provides a comprehensive instructional program and related support services. The school staff is committed to providing an exemplary school experience with the use of instructional technology. The Centralia School District provides centralized funding for textbooks, Special Education, and English learner programs.

School Vision

In partnership with parents and the community, our school is dedicated to producing responsible, self-confident learners who master concepts, skills and positive character attributes through a challenging, comprehensive, technologically enhanced, standards-based curriculum. Staff works collaboratively to ensure the success of all students and views the enhancement of the whole child as an important element in student success.

Teachers and support staff at Dysinger Elementary believe that a strong academic focus, supported by a positive and caring learning environment, is essential to the success of our students. Students are provided a comprehensive curriculum in language arts, mathematics, history/social science, science, physical education, health education, technology and visual and performing arts. The school’s Information Access Center, Computer Lab, and Learning Center provide an additional learning environment for our students as well as a professional resource library for the teachers.

A strong emphasis is placed on providing a safe attractive environment for our students and staff. Equally important is the emphasis on developing strong positive character traits through the schoolwide discipline program, character education and additional support from school personnel and programs including social workers, and behavior support programs. Many specialized programs including English Language Learner (ELL), Gifted and Talented Education (GATE), Speech and Language, Special Education, Early Intervention Program and the school three-tiered Response to Intervention (RTI) program provides extra support to students.

Mission Statement

Centralia School District is a leader in education. It is a positive, collaborative environment where new ideas are encouraged and innovative practices are fostered. Student success is our top priority and is valued by the entire community. In partnership with parents and the community, Dysinger is dedicated to providing a challenging learning environment for all students which will enable them to reach their maximum potential in becoming productive, contributing citizens for today and tomorrow. Staff members work collaboratively to provide students with a rigorous, standards-based curriculum and safe place to learn. Individual creativity and contributions are promoted in a nurturing environment of cooperative spirit, positive attitude, and mutual respect.

Recent accomplishments

Dysinger school had the honor of 2 of our employees receiving Employees of the year; Our school office manager was awarded Classified Employee of the Year, 2014 and one of our teachers was the 2015 Centralia School District Teacher of the Year. Dysinger School has been selected as one of the 100 public schools in California to receive the title of 2013 and 2014 STEM (Science, Technology, Engineering and Math) California Business for Education Excellence Honor Roll School. Schools receiving this distinction from the California business community have demonstrated consistent high levels of student academic achievement, improvement in achievement levels over time and reduction in achievement gaps among student populations.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Year and month in which data were collected: December 2015

Sufficient state-adopted and standards-aligned textbooks and instructional materials are available for each pupil, including English learners. These are consistent with content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas.

Resolution Date: 08/11/15

In 2011, the Governor and State Legislature extended the suspension of State Board of Education (SBE) adoptions of instructional materials until the 2015–16 school year (Education Code Section 60200.7). At this time the State has adopted frameworks for English Language Arts/ English Language Development, and math which will assist in our implementation of California's Common Core State Standards. We are currently piloting State Board of Education adopted (January, 2014) instructional materials for math to reflect the rigor of the California's Common Core State Standards, teachers are developing curricula units, and various resources are provided as additional instructional materials. The State Board of Education adopted ELA/ELD instructional materials in November, 2015 and will direct our pilot.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional. The Schools Facility Good Repair Checklist provides information about the condition of the school's grounds, buildings and restrooms. All inspected items were in good condition.

Age of School Buildings

Dysinger School was built in 1956 and is located on 11.05 acres. There are 26 classrooms, four small group instruction rooms, a Learning Center, a multipurpose room, a library/media center with a computer lab and an office complex.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A total of 230 work orders were processed and completed during the duration of the school year. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

In the evenings and during the day, a team of two custodians ensures classrooms; restrooms and campus grounds are kept clean and safe. As responsible members of the community, we take pride in our school environment by maintaining a clean, safe, and well-groomed campus.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and asphalt.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

The Centralia School District welcomes and values parental involvement in District and school programs. During the 2013-2014 school year, CESD began the Local Control Accountability Plan (LCAP) process. This new funding process requires school districts to engage parents, teacher, employee groups, and the wider community to be a part of the development of the LCAP. Informational meetings were held with various stakeholders including Board members, parents, PTAs, and advisory groups (DELAC, GATE, PTA). An LCAP committee was formed that included representatives from each stakeholder group. The culmination of the LCAP committee was the adoption of the 2014-15 LCAP on June 24, 2014 by the Board of Trustees. The LCAP represents an opportunity to further strengthen the commitments between our District and our community on behalf of all students.

Dysinger's parent volunteer program enhances both instruction and special events. The PTA is extremely active and works to support the school and students by recruiting and organizing parent involvement. Many parents and community members regularly volunteer in classrooms. The Dysinger PTA supports student learning by funding assemblies, study trips and book sales. They assist the school in promoting student achievement through recognition activities and enrich the educational program by providing special programs, events and services. The PTA organizes parent education programs such as the popular Book Fair and Astronomy Night. PTA leadership is involved in activities to support legislative action in support of children in public schools.

Opportunities for parent education and family involvement occur regularly throughout the school year. Parents are encouraged to become active participants in their children's education by joining PTA and serving on advisory councils such as School Site Council, District Gate Parent Advisory Council, the English Language Learner Committee, PTA, Family Nights, Parent/Child Events, Book Fair and more. The School Site Council meets 3-4 times a year to review information, analyze instructional programs, and provide input toward strengthening all school-based coordinated programs. Dysinger School has parent representation on the District English Language Advisory Council, District Report Card Committee, District Math Adoption Committee, LCAP Committee, and the District Parent GATE Advisory Committee.

Parent involvement opportunities include:

- Back to School Night
- Open House
- Student Recognition Assemblies
- Student Assemblies
- Parent Education Training and/or Workshops
- Field Trip Chaperone
- Class Volunteers
- PTA-Sponsored Activities
- Fall & Spring Academic Conferences
- Family Nights
- Book Fairs
- Student Study Team Meetings
- IEP/504 Meetings
- Parent Common Core Meeting
- Parent CAASPP Meeting
- Parent Report Card Meeting
- Fall School Carnival
- Holiday Gift Shop

School Site Council
 English Language Committee
 School Safety Committee
 District-wide Internet Safety Night
 Red Ribbon Week Activities
 Daily Flag Ceremony
 Principal Coffee Chat
 School Messenger Calls with Weekly Update

Parents have an opportunity to provide input about the instructional program via their participation in a variety of meetings/workshops including:

- Regularly scheduled merged School Site Council/English Language Advisory Council (SSC/ELAC) meetings
- District GATE Parent Advisory Council
- District DELAC meetings
- District Report Card Committee
- District Math Adoption Committee
- Principal Coffee Chats
- LCAP Committee

These groups meet on a regular basis to share information, discuss school programs, evaluate performance data and provide input toward school-based decision making. The SSC/ELAC oversees the development and implementation of the school's Parent Involvement Policy including categorical budgets. The SSC holds the final approval for the Safe School Action Plan. The Centralia School PTA is active and supports the school in a variety of ways.

For additional information about opportunities for parent involvement at Dysinger Elementary, please contact PTA president Giovanna Arellano or Principal Shawn Stuhrt at (714) 228-3240 or visit the school website at <http://www.cesd.us>

School Safety Plan (Most Recent Year)

Safety of students and staff is a primary concern of Dysinger Elementary. Dysinger's Safe School Action Plan was developed by the School Safety Committee and with input from the School Site Council. The safety plan is reviewed and revised annually by all groups. New goals and tasks are added as necessary. The 2014-2015 goals of our Safe School Action Plan include the following goals:

Goal #1: Glen H. Dysinger School's climate shall reflect respect, tolerance and pride for diversity of culture, ethnicity, and philosophy. It is a place where students demonstrate strong academic progress, follow school rules, and develop responsibility for their learning and respect for themselves and their school.

Goal #2: Glen H. Dysinger's climate shall provide all students and staff members an emotionally secure and safe physical environment to support teaching and learning for all students.

Goal #3: Glen H. Dysinger School provides a secure campus with careful monitoring and supervision of all areas to ensure student safety and adherence to rules.

Goal #4: Glen H. Dysinger School provides for the safety of all students and staff through a well planned and implemented crisis response plan.

Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation. The school and District participate in the annual California Shake Out earthquake drill each October. Fire evacuation drills are held monthly. The school maintains a Safety Committee and it meets minimally four times a year to review safety issues, plan staff development and makes recommendations for improvement.

The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year.

Dysinger School believes that to ensure a positive learning experience requires a safe and orderly environment. Toward this end, we have established school-wide Positive Behavior and Intervention Support that communicates high expectations for student behavior. Each student receives training on behavior expectations in the classroom, at Flag Ceremony and in a school assembly lead by the principal. At the beginning of the school year or upon entrance into the school, parents are provided with a detailed description of the program. Dysinger students are expected to embrace the F.I.R.E. attributes (Focused on safety, acting with Integrity, being Respectful, and being Engaged learners) Teachers teach, monitor, enforce and exhibit positive attributes throughout the year. The school follows all District Board Policies including those pertaining to Safety, Suspension, Expulsion and Mandatory Expulsion and Sexual Harassment.

Date of Last Review/Update: January 2015

Date Last Reviewed with Staff: January 2015

The Centralia School District's Board of Trustees reviews the Safe School Action Plan annually by March 1.
