

A JOURNEY OF HOPE: AN EVENING WITH SONIA NAZARIO

Join us for an extraordinary speaking engagement with Pulitzer Prize winning journalist Sonia Nazario, author of *Enrique's Journey*, a story of a Honduran boy's struggle to reunite with his mother in the U.S. Ms. Nazario's stories have tackled some of this country's most intractable problems, such as drug addiction, hunger, and immigration. This event is open to the entire Hopewell Valley community. Guests are encouraged to read and discuss *Enrique's Journey*, but the book is not required reading; A Journey of Hope will be a valuable conversation for all!
