**OFFICER REPORTS:**

**Jefferson Yin:** The Board of Education Meeting held on September 27 consists of an update of the WASC program at Arcadia High School. The staff of the high school were divided up into five committees, where they focused their attention on organization, curriculum, student culture, and more. The "Thought Exchange" Survey sent out earlier last year allowed them to begin collecting data about strengths of the high school and what to focus on the future. In addition, the high school staff will focus on more timely feedback to student, apply consistency in expectations, grading, assessments, and workload across course, and increasing focus for struggling students (not just academically). The Board Meeting held on October 10 consisted about the Board of Education Goals that will become active for the 2016-2017 school year, consisting and construction of trust, making the community more involved with the schools and education, evaluating current learning progress, improvement of technology, application of subjects to the real world, and strive to educate the community about educational funding with Measure A.

**Eryca Yamane:** Two weeks ago, Girls Golf became Pacific League Champions. Football also defeated Burroughs and are now 6-0. Cross Country spent the past weekend in Fresno with the Varsity Girls taking third and the Boys taking tenth. Girls Tennis is still undefeated at 14-0 and Boys Water Polo remains 8-2. Yesterday Girls Varsity Volleyball had Senior Night and are now 13-0.

ANNOUNCEMENTS: None.
