

2015-16 Dorman Band Business Partners

Local Businesses Supporting Music Education for All Students

The Business Partners of the Dorman Band, Marching, Indoor Drumline and Indoor Guard are a great asset to the education of our students. With your support, these groups are able to perform within our community, around the state and across the nation. The following is a breakdown of packages your company may purchase to help support the Dorman High School Band. Money from your partnership may be designated and used toward a student's band account to help pay for his/her yearly fees, including competitions, travel, instrument, and uniform expenses. Your tax-deductible support is greatly appreciated!
Tax ID #: 57-0775590
