Chemical Laboratory Technician
Child Development

Commercial Flight
Computer & Networking Technology
Computer Graphics Design/Photography
Computer Network Administration &
Security Management
Computer Programmer-
 Database Management Systems
Computer Programming
Construction Inspection
Correctional Science
Education Paraprofessional
Electronics & Comp. Engineering Tech
Emergency Medical Services
Engineering Design Technology
Equipment Technology
Escro Management
Family & Consumer Science
Fashion Design
Fashion Merchandising
Fire Technology
 Administration
 Administrative Communications
 Administrative Law
 Fire Management
 Fire Prevention
 Fire Training
 Private Fire Service
General Business
Histologic Technician Training
Horse Ranch Management
Hospitality & Restaurant Management
Human Resource Management

Associate in Science Degrees Cont'd

Interior Design

 Kitchen & Bath Design

International Business

Law Enforcement

Licensed Vocational Nurse to RN

Livestock Management

Manufacturing Technology

Marketing Management

Mental Health Technology-Psychiatric

Technician

Nursing

Ornamental Horticulture

Paralegal

 Bankruptcy Specialty

 Corporations/Business Specialty

 Criminal Specialty

 Family Law Specialty

 Landlord/Tenant Specialty

Park & Sport Turf Management

Pet Science

Photography

Physical Education

Psychiatric Technician to RN

Radio Broadcasting

 Behind the Scenes

 On the Air

Radiologic Technology

Real Estate

Real Estate Appraisal

Registered Veterinary Technology

Respiratory Therapy

Sign Language/Interpreting

Small Business Management

Television Production

Welding

Mt. San Antonio College

Programs of Study Leading to a Certificate of Achievement

Accounting	Computer Graphics Design/Photography
Computerized	Computer Systems Technology
Financial Planning	Construction Inspection
Managerial	Consumer Services
Administrative Assistant Level II & III	Correctional Science
Air Conditioning & Refrigeration	Digital Photographic Technician
Aircraft Powerplant Maintenance Tech.	Electronic Systems Technology Level II
Day	Electronics & Comp. Engineering Tech
Evening	Electronics Communication
