

Tison Art

Introduction to Art

This course introduces the basics of art through the elements of art: line, form, value, space, shape, color, and texture. Students complete projects in design, still life, perspective drawing, portrait drawing, and color. Various media are used that include pencil, crayon, colored pencil, markers, oil pastels, and watercolor. Art history is also included to emphasize the important role history and culture play in the creation of art

1st Grade – Art 1, prerequisite, Introduction to Art

8th grade art offers students the opportunity to build on the techniques and methods they acquired during Introduction to Art. This year in art allows 8th grade students to work with more advanced techniques for extended periods, such as:

Pencil Drawing

- ❖ *Acrylic Painting*
- ❖ *Pen and In*
- ❖ *Watercolor*
- ❖ *Printmaking*
- ❖ *Pottery*
- ❖ *Oil Pastel*

Students who take art may have their work selected to enter in the quad county *County Art Competition* held each year in *May*.
