

Below are the Federal guidelines for free and reduced lunch for the current school year. Guidelines for 2016-17 are not yet available. If your family falls in one of these categories, you may select “yes” on the Discovery II Application for Admission. If your child is offered a position at Discovery II using this category, you must provide proof before your child will be accepted. Information and the application for free/reduced price meals will accompany the student’s offer packet.

Please note: Your child will lose their position if you select that you qualify, are offered a position, and then determined to be ineligible.
