Help with May Crowning Flowers

The 8th grade teachers are looking for a couple of parents (3-4) to come in on the morning of Friday, May 4th at about 8:45 am to work with all the flowers that will come in that day for the May Crowning Service. Each homeroom will have a bucket for teachers to collect the flowers in. Students will pick up the buckets and place them in the Faculty Room.

The volunteers will take each bucket of flowers, remove the plastic and stems, and spread them evenly to the 19 classroom buckets.

The finished buckets will be placed in the Mary U Garden for the afternoon May Crowning.

Please email Mr. Ramos (ramos@sasr.org) or Ms. Tarabochia (tarabochia@sasr.org) if you are able to help.

About Chess Wizards:

Chess Wizards is one of the nation's premier chess education companies. Our interactive, discovery-based curriculum inspires students to think ahead, visualize their goals, treat others with respect and learn from mistakes. First, we let kids get the wiggles and giggles out with 10 minutes of free play and review of past taught topics. We then go right into the week's lessons. We separate students based on skill levels and teach different lessons best suited to their individual needs. All lessons have an activity and homework to accompany them and we have well over 80 different lessons to keep challenging our little wizards! Chess has been taught for thousands of years because of its emphasis on logic, tactics and sportsmanship. Let us coach your kids to a higher level of education!
