School Age Program
(before and after school care)

Learning Springs' after school program provides a safe, engaging, and nurturing environment for families requiring quality child care for before school, after school, and summer vacation.

Our mission emphasizes creating an atmosphere that balances student learning, enrichment, physical activity, and free time in a stimulating and enjoyable setting. The program offered provides parents with safe, convenient and reliable out-of-school time care for their children. The program maintains clear policies and procedures and actively encourages and welcomes open communication and parent involvement. Children will be transported to and from Learning Springs in the school's vans by LSA staff.

Our program serves students in the Union, Cambrian and San Jose Unified School Districts. To see if your child's school is in our pick up range, drop us a line or give us a call.

We pick up students from Guadalupe, Alta Vista, Oster, Noddin, Lietz, Reed, Steindorf, Fammatre, Sartorette, Farnham, and Bagby.
