

Montemalaga Teachers, Staff & Parents – Do You Have A Wish?

The Montemalaga PTA Can Help!

Due to the PTA's non-profit status, we may be able to offer "gifting" funding for teachers' projects, activities, school equipment, and other necessary needs of the school. These funds would be available should we receive more money annually from fundraising initiatives than required by the PTA fiscal year budget. The main purpose of "gifting" is to purchase items that will enhance the educational experience of all students. The Gifting Committee consists of the Principal, PTA members, and teachers/staff. The committee will blindly choose (i.e., requester will not be made known) by considering the beneficial impact of each request and will, to the best of its abilities, distribute the monies equally to grade levels and activities. Gifting will occur two times per year – in January and March.
