Karen Karten, Early Childhood/Judy Center Coordinator

Marlena Turner, Administrative/Data Associate

Janell Hale, Family Service Coordinator

Kelly Townsend, Family Service Coordinator

Ashely Gale Morisseau, Special Project Coordinator

The Judy Center is a grant sponsored program through the Maryland State Dept. of Education. Judith P. Hoyer Early Child Care and Family Education Centers or "Judy Centers," provide access to early childhood education and family support programs located at or near Title I schools. Typically, education opportunities and support services are available 7-12 hours a day, year round. Judy Centers serve young children and their families in an effort to increase the number of children entering school ready to learn. They are unique because they promote school readiness through collaboration with community-based agencies, organizations and businesses. Most services or assistance a family may need can be provided directly or arranged by the Judy Center onsite or nearby, including health care, adult education, identification of special needs and early intervention, child care, parenting classes, and family literacy.

## The Somerset County Judy Center Mission Statement

The Somerset County Judy Center Partnership is a collaboration of local community organizations providing support and resources for young children and their families. The Judy Center's primary goal is to assist families in Somerset County, ensuring that all children in our community enter school with the skills they need for lifelong learning and success.

## Judy Center Partnerships

Each Judy Center has a formalized partnership with local agencies, organizations and businesses in their community. The partnership meets on a regular basis to discuss the activities and needs of Judy Center families. They discuss the impact of service delivery on school readiness and, using school readiness data, jointly determine goals, objectives, milestones and strategies to employ to increase the number of children entering school ready to learn. This Community Resource Guide was compiled by The Judy Center Steering Committee partnership. Here is a list of our partners:
