*Catholic Charities of Southeast Michigan, a non-profit, pro-life family service agency, serves women regardless of their religious affiliation and offers counseling for women in unplanned pregnancies at no charge. Their professional staff is available to help pregnant women, birth fathers and their families, plan and connect them to resources for their expected baby. When adoption is the choice, the birth parents are fully involved in the plan for their baby, choose and meet the family and have the option of maintaining contact throughout the life of the child. Adoptive parents are educated and exposed to the lifetime issues of adoption for their child in a series of six educational classes while their pre-placement assessment is completed. CCSEM facilitates the legal process for adoption.*

*If desired, please call the parish office to arrange a meeting with a member of the clergy or the Society of St. Vincent de Paul to discuss this issue in more detail.*
