Note from our Principals

Happy Holidays!

As we look forward to the holidays, we need to remember to stay focused on our academics as well. We will soon be starting another program in study hall to help students prepare for the AZMERIT this spring. While we continue to work on academics, we also look forward to our winter sports events including wrestling, basketball, and cheerleading. Our fall food drive was a success. Thank you to all who participated! Hope everyone has a wonderful December!
