2017-2018 Annual Appeal

Becoming Women
of Faith and Integrity

**Encouraging our students to Reach Higher to:
Achieve, Believe, Innovate, Inspire and Lead**

Dear Alumnae and Friends,

Saint Hubert Catholic High School for Girls maintains a strong belief that educating our students to become women of faith and integrity will contribute to their success in achieving personal and career goals. We are proud of the success that our current students and more than 30,000 alumnae continue to achieve in the areas of academics, athletics, faith and service.

The 2017-18 school year brings a new initiative, the Reach Higher Program, which encourages our students to realize their potential and reach higher to Achieve, to Believe, to Innovate, to Inspire, and to Lead. Saint Hubert provides numerous resources to assist these young women in their pursuit of achieving their goals. We offer college courses and internships to juniors and seniors. We have a diverse academic program, which offers various subjects to encompass students' interests. The Campus Ministry program inspires participation in faith-filled service and events. Our Robotics and Fashion programs support students' desire to innovate. We challenge our current Bambies to Reach Higher, to go beyond their capabilities in order to achieve new goals.

We are grateful for the support that you give to Saint Hubert as your contribution assists us as we provide young women with a quality Catholic education. Many families in today's society make great sacrifices in order for their children to attend Catholic school for they appreciate the values, morals and level of education their child receives. We are committed to pursuing excellence in every area that impacts our students, and we are dedicated to assisting them as they Reach Higher at Saint Hubert.

Thank you for your commitment to Saint Hubert, and to our students. Your donation is greatly appreciated and we will continue to keep you in our prayers. Please feel free to come and visit us, and meet the students who are becoming women of faith and integrity.

Blessings,

A handwritten signature in black ink that reads "Lizanne Pando".

How has Saint Hubert encouraged you to Reach Higher to...

Achieve Saint Hubert encourages me to reach higher to achieve in so many different ways. It provides a wonderful group of people who want to see me succeed as well as a wide array of subjects and activities for me to pursue. Thanks to the caring faculty & staff, and my supportive Bambie sisters, I am able reach my full potential.

Zephaniah Santa '19

Believe Saint Hubert Catholic High School encourages me to reach higher to believe. The encouragement and dedication of teachers inspires me to believe in myself and succeed academically as well as in my extracurricular activities. The Catholic school setting provides numerous opportunities to deepen my belief in God as well as become a better person through my faith.

Elizabeth Lopez '18

Inspire Saint Hubert encourages me to reach higher to inspire daily. The fact that Saint Hubert is an all-girls school gives me the confidence I need to be sure of myself. The strong sisterhood bond allows me to try things that I would not necessarily feel comfortable doing, but knowing that I have a safe place to land, if I fall, makes all the difference for me.

Grace Brighter '18

Innovate Saint Hubert has encouraged me to reach higher to innovate by giving me access to resources I could never obtain on my own. As a member of robotics, I have been able to explore practical science in a manner unavailable in a regular classroom. Additionally, Saint Hubert has given me the great opportunity to actually create video content for the school that can reach out to many connected to the school.

Ryan Doherty '18

Lead Saint Hubert has encouraged me to lead through the standards set by the Bambie alumnae. During my three years here, I have seen so many girls step up and take control as women. I have grown to admire them and want to become like them. Those past leaders truly captured what it means to be a student at Saint Hubert. I would not be where I am or who I am today without those inspiring young women.

Colleen Mulville '18

Here's what some of our Alumnae have to say about their experience at Saint Hubert:

"I achieved my goal of becoming a trial lawyer. At Saint Hubert, I had strong women role models who exemplified integrity, dedication, fairness and kindness, and for that I am grateful."

Margaret Fenerty '67 (Attorney)

"As a student at Saint Hubert I learned to appreciate the structure, discipline, and spiritual guidance. As an adult I realize how these qualities have helped me to achieve success."

Anne Marie Muldoon '85 (Chiropractor)

"Being a Saint Hubert graduate has prepared me to become the teacher and coach I am today. During my time there is when I learned I wanted to become a Special Education teacher. It is also an amazing feeling to be back at the Bambie Dome as a volleyball coach. I hope to teach the future generations of Bambies the importance of commitment, confidence, and good sportsmanship."

Kristina Schneider '08 (Teacher)

"While a student at Saint Hubert, the values of hard work, discipline and faith were instilled in me. As a teacher at Saint Hubert, I strive to instill those same values in my students."

Mary Green '72 (SH Faculty)

"At Saint Hubert, I had the safety of speaking my mind and feeling secure in the fact that I was heard. Throughout my career, I pictured so many Bambie faces looking at me with hope and support, saying: "You got this D! Don't quit now."

Denise Krenski '91 (Development)
