

# ELECTRONICS POLICY FOR NORTHWESTERN

**Students should not bring electronic devices to school.**

Electronic devices found on searches, seen or heard will be taken. **Parents will have to make an appointment to meet with the grade level administrator in order to pick up the device.**

Electronic devices include, Zunes, I-pods, cell phones, video games, cameras, PSP, Game Boy etc. if it runs by electricity, batteries, solar power, it is an electronic device. Northwestern or the Flint Board of Education is not liable if these devices are lost or stolen. Do not allow your student to bring anything to school you cannot afford to replace.

If the problem continues, the building principal will determine when the device will be returned to the parent of record. Please make sure you have read the Code for Student conduct concerning this policy.

Returning items is at the discretion of the building administrators.

**Parents will have to make an appointment to meet with the grade level administrator in order to pick up the device.**
