FROM THE DESK OF THE PRINCIPAL

Greetings B-C # 1 TEAM,

We are entering November and have completed our first grading quarter of the school year. We appreciate your attendance for our Bearcat Pride Awards activities and look forward to seeing you in future events. Our Positive Behavior Intervention Support (PBIS) program is in full swing and you may have noticed students coming home with tickets in their hands. This is good. Students are being rewarded for good/positive behavior. Parents we ask that you complete the AdvancED Parent Survey found on our website at <http://bc1.lex2.org/home>. The window will close on Friday, November 2, 2017. The survey takes approximately five minutes to complete. We ask that you join our PTO and support the work that this organization does for parents, teachers and students. Join us for our Veterans Day program on November 8, 2017 and support the Patriotism Week activities leading up to this event. Finally, please remember to set your clocks back for one hour for Daylight Savings Time on Sunday, November 5, 2017. We are partners in education and We are One TEAM!

Counselor's Corner

During Classroom Guidance for the month of November all grades will learn about a variety of careers that exist in our community and why they are each important. Beginning discussions about interests and how they tie into careers can help encourage students to do more of what they like, building strong skills that may lead them down a potential career path. Linking interests to careers can also encourage students to begin setting goals for their learning in and out of school, both of which will influence future education and career choices.

You can help to increase career awareness with your child by talking about your career, or the careers of people in your family.

Below are some other tips that you and your child could do together to promote the correct career ready skills.

Show your child how school skills relate to everyday chores such as:

- paying bills
- buying groceries
- sending birthday cards and letters
- getting appliances repaired
- shopping for clothing
- Organizing family activities

We will be having a Career Day in March for our third through fifth grade students. If you are interested in speaking to students about your career please contact Ms. Jones at ashtonjones@lex2.org or 803-739-3137.
