- IV. Preliminary data (Proficiency Percentages) about the Spring 2016 Sage Assessments was shared and discussed. Council members acknowledge and complimented the growth that has happened with SAGE results.
- V. The 1st Semester 90 Day School Improvement Plan was shared and discussed.
- VI. Discussion was held as to dates and times for the upcoming Council meetings this school year. It was decided to continue with Tuesdays as much as possible, and to change the meeting start time to 5:30 p.m.
- VII. Meeting was adjourned at 8:00 p.m.
