## School Accountability Report Card

### Reported Using Data from the 2016-17 School Year

#### Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	42	44	44	47	48	48
Mathematics (grades 3-8 and 11)	34	28	34	34	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	404	396	98.02	44.44

English Learners	116	112	96.55	47.32
Students with Disabilities	77	73	94.81	4.11
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Students with Disabilities	77	74	96.1	4.05
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

### School Safety Plan (School Year 2017-18)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Dudley Elementary School's original facilities were built in 1959; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

Dudley Elementary School's Comprehensive Safety Plan is updated annually with the current plan being approved by the CJUSD Board of Education in the Spring of 2017. This plan will be reviewed and updated in the Spring of 2018.

The Safety Plan has two goals related to School Climate: Goal #1: A school environment that has in place supports for students' social-emotional needs will be provided. Goal #2: Frequent communication will be maintained among staff, students and parents.

The Safety Plan has four goals related to the Physical Environment: Goal #1: The physical environment of Dudley Elementary will be free of hazards. Goal #2: 100% of staff will understand the Safety Plan procedures and their role in the Incident Command System. Goal #3: Staff members will wear their staff badges and carry a 2-way radio whenever outside of the classroom. Goal #4 Safety kits will be stored in each classroom.

### Types of Services Funded (Fiscal Year 2016-17)

Dudley Elementary School is committed to assisting all of our students with support in the areas of academic, behavioral, and social-emotional development.

Academically, we provide support at several levels. When a student is identified with an area of need, the teacher identifies accommodations and modifications to employ, writes a SMART goal related to the area of need, and meets with the parent of the child to relay this information. Academic support may occur through grade level Intervention Rotation, in-class Workshop, or through small group in a pull-out model. Student progress is monitored and adjustments to the strategy are made as needed.

Behaviorally, Dudley Elementary utilizes Positive Behavior Intervention Support (PBIS). We are currently in tier I and tier II implementation. The focus of the tier I strategy is to clearly identify behavior expectations stated with positive language. Students are acknowledged for displaying these expectations. There is also a clearly defined strategy for students who are experiencing difficulty meeting the expectations. Office Referral data is gathered and analyzed on a regular basis to identify if particular expectations need to be revisited as identified. Tier II focuses on those students who haven't responded to tier I level supports and additional strategies, such as Check-In, Check-Out are utilized and data is tracked as to the effectiveness of the strategy.

Dudley Elementary attempts to meet the social and emotional needs of our students by accessibility to a school counselor 4 days per week. We utilize Healthy Play, Second Step, and Community Circles in all classrooms as tier I intervention strategies. We also offer Dragon Pals and Toolbox as skill development strategies as tier II strategies. As needed we can access support from the district Behavior Support Team as well as ERMHS counseling.

Dudley Elementary strives to have all of our students become college and career ready, and these programs have proven to be quite valuable.
