

Mary Star of the Sea High School
CAREER DAY
Friday, February 3, 2017 8:00 a.m. – 11:30 a.m.

- **An opportunity to share your career passion with our students, grades 9-12**
- **Presenters include parents, alumni, and friends of Mary Star of the Sea High School who enjoy their work and wish to share their enthusiasm and first-hand experiences with the next generation of career seekers.**

How it works --

- Students pre-select the five 30-minute presentations they wish to attend.
- All presentations are in classroom settings with faculty members present at all times.
- In addition to your ‘story’ of how you came to this career, presentations typically include but are not limited to the following information:
 - Typical work day
 - Education background/preparation
 - Salary/pay scales
 - Training opportunities/internships
 - Current job opportunities
 - Specific skills needed
 - Future trends in the field
 - Any additional relevant information
- Handouts and/or A/V presentations are encouraged, but not necessary.

Continental breakfast available at 7:30 a.m. Career presentations begin at 8:15 a.m., followed by lunch. If your schedule is limited, please consider joining us for part of the morning.

Please return the form *as soon as possible, but by January 35, 2017* at the latest.
