

SHAC Minutes

November 29, 2016

Brandi DeLong called the meeting to order at 3:45

Members were welcomed and thanked for attendance.

Minutes from October 4th meeting were presented and approved. Lynette motioned, Mike seconded the motion.

The new policy is being updated. Brandi is reviewing the recommendations to our current policy. She will be visiting with committee members on specific portions of the policy to get input before bringing it to the committee for review. The policy is very detailed and time consuming so the committee will discuss it in smaller portions to make sure everything is accurate and aligns with our district.

It was shared that Coach Turner is currently doing a Wellness Wednesday. Specific information may be directed to Coach Turner.

The meeting was adjourned with a reminder of the future meeting dates.
